Award descriptions

- 1) **Achieving together:** Working as a team, these members work together to achieve so much more than they could alone. They significantly improve the lives of members or help to make their Branch and Society the best they can be. Together their efforts make a significant difference and their dedication deserves equal recognition.
- 2) **Enriching lives socially:** This member loves contributing to social activity, whether as a frontline organiser or backroom support. Whatever they do, they can always be relied on to get everything together for the get-togethers and without their input your events just wouldn't be as good as they are.
- 3) **Giving something back:** The focus of this member is to raise as much money as possible for worthy causes. They may be involved in organising or participating in fundraising activities or events and will use every opportunity to help raise money or 'in kind' charitable support.
- 4) **Working in the spirit of mutuality:** This member's passion lies in the running of the Branch and Society as a whole. Typically they will have held one or a number of formal roles and worked collaboratively with their management committee to make positive things happen.
- 5) **Giving a helping hand:** Looking after other members is what this member loves best. They are likely to be a Welfare Visitor or other caring volunteer who goes out of their way to look after the wellbeing of members – whether phoning, writing or visiting, they can always be counted on when it matters or in times of need.

Once completed, please hand or send this nomination card to your Branch Secretary.
