## Welcome to our Out & About Events Diary for Spring/Summer 2026

You will see that we have introduced more wellbeing walks across the district, designed to be relaxed, inclusive and uplifting. There are plenty of chances to socialise, with meals out, trips to the theatre and our ever-popular coffee mornings. We would love to welcome you to our new Tuesday Evening Chat, where you can connect with others and enjoy a friendly chat from the comfort of your own home.

Highlights not to miss include our tour of Historic Lancaster Castle, and a trip to the Harris Museum in Preston, perfect for anyone who enjoys art, culture and a bit of inspiration! After the popularity of our wreath making event, we have introduced some flower arranging sessions and of course you can enjoy the usual games and quiz events. We hope there is something here for everyone.

You can find details of our regular monthly events in the 'Regular Events' section at the start of this booklet. All our events are listed in the handy 'At a glance' guide at the back in date order.

If you haven't yet joined us at an event then please do come along soon!

# Wellness Often Starts with Friendship

**This Spring and Summer, our events diary has a gentle new theme; wellness. Not the intimidating 'Let's run a marathon' kind, but the kind built on friendship, fresh air, laughter and doing things together at an easy pace.**

At the heart of it all is connection. Fiona and Gillian have worked together to bring you a variety of events across the district where you can catch up, be social, and enjoy shared experiences. A walk, a chat, a friendly game – sometimes that's all it takes to lift the week.

We are especially excited about exploring some beautiful local walks together. Fairhaven Lake is a flat and scenic coastal walk with great views. Preston Docklands brings a different feel with modern paths along the water and plenty of time to walk and talk. Williamson Park is a lovely green space with woodland walks and the iconic Ashton Memorial with views all the way across Lancaster to Morecambe Bay and

beyond, while St George's Quay is perfect for a relaxed stroll along the river Lune. And it wouldn't be complete without the return of our Summer evening walks along Morecambe promenade, sea air, laughter and trying not to get blown off the jetty! Of course, there will always be somewhere on the route where we can get a drink and take a breather.

If walking isn't your thing, there are other ways to join in. Why not try your hand at ten-pin bowling? It's friendly, fun and very much more about the laughs than the scores. Or try a different way to connect, join our new cheery online Tuesday evening chat, a warm and welcoming space to catch up from the comfort of your own home.

However you choose to get involved, we would love to see you at any of our friendly events.

## Thousands raised for Hurricane Melissa relief efforts by Oddfellows branches

**The Oddfellows has donated £10,000 to support the Jamaica Red Cross' Hurricane Melissa Emergency Appeal.**

Thanks to the generosity of Oddfellows branches across the UK, and with additional support from central funds, the donation will help communities affected by the devastating storm rebuild their lives.

Hurricane Melissa, a Category 5 hurricane, made landfall in Jamaica on 28 October 2025. The strongest hurricane ever to strike the island, it caused catastrophic damage and impacted nearly 1.9 million people.

### Essential supplies

The funds have been sent to the Jamaica Red Cross, via the International Federation of Red Cross and Red Crescent Societies (IFRC), to support ongoing emergency relief and recovery efforts. This includes providing essential supplies, shelter, and longer-term assistance to those whose homes and livelihoods were affected.

Pam Casey, spokesperson for the Oddfellows, said: "When communities are devastated by disasters of this scale, the need for swift and compassionate support is critical. We are incredibly proud of our branches for coming together to raise these funds.

"Every contribution helps people to access shelter, food, and vital services as they begin the long process of rebuilding.

"Supporting this appeal reflects the very best of Oddfellowship – standing alongside others in times of greatest need."

The Oddfellows extends sincere thanks to everyone who contributed to the appeal and helped make this support possible.

# Talented trio win Educational Awards

**We're proud to announce our 2025 First Degree Course Educational Award winners: Melanie Healy (Humber Wolds Oddfellows), Will Stevenson (Pride of Woolwich Oddfellows) and Emma Corbin (Worcester Oddfellows).**

Each winner will receive a non-repayable bursary worth £900 per year for the duration of their studies, which can go towards anything from text books and vital equipment to helping out with rent, bills and other practical items.

## Jane Nelson, CEO of the Oddfellows, said:

It fills me with pride each year when we announce the winners of the First Degree Course Educational Awards, and I'm sure that Melanie, Will and Emma will work hard and have a wonderful university experience.

University is an exciting time, but it can also be quite stressful. I hope this money will go some way to help reduce some of the financial pressures that are a reality of being a student.

## Melanie Healey, Humber Wolds Branch

In October 2025, Melanie began her Asian and Middle Eastern Studies course at the University of Cambridge. The four-year course will begin with learning Arabic language skills from scratch, building up her existing French language skills and looking at French Literature.

She says she is hoping to put the money towards travelling to French and Arabic-speaking countries for internships and exchanges to help sharpen these skills.

Melanie said: "I was delighted when I found out that I'd been chosen to receive the funding, and I would like to thank the Oddfellows for the grant."

Although unsure what her career plans are at this stage, Melanie says she "would definitely like to work in a role that allows me to use my language skills".

## Will Stevenson Pride of Woolwich Branch

Will started reading Geography at the University of Durham's Trevelyan College in Autumn 2025, where modules cover

topics such as climate change, physical geography, human geography, geographical research and geographies in crisis.

The money, he says, will go towards the social aspects that university life has to offer, such as the Durham University Big Band.

Will said: "Hearing I was a recipient of the award was incredibly exciting, and I am extremely thankful to the Oddfellows for the trust and generosity they have offered me."

Will also hasn't mapped out his career plans at this stage, but says that's one of the reasons the course appealed to him, given "the breadth of Geography and its wide application".

## Emma Corbin Worcester Branch

Unbeknownst to either, Emma and Will have ended up on the same Geography course at the University of Durham.

Emma plans to put the money towards learning materials and field trips.

"I felt extremely grateful and lucky when I was picked as one of the successful candidates from what would have been many amazing applications," she said. "I would like to say how thankful I am. It is a great opportunity to have an award like this available."

Emma too hasn't decided which direction she wants her career to take, but thinks her chosen course will provide her with a range of opportunities.

"It's an increasingly relevant subject, considering topics such as climate change and geopolitics," Emma added.

## More about our Educational Awards

Each year, our Fraternal Board chooses who will receive the Educational Awards funding, based on the applications received from members. # 2026: Time to make a financial plan

a proud part of the Oddfellows

**The year might have only just started, but we all know how quickly the calendar can flip. One minute it's spring, and the next we're wondering where the mince pies have gone.**

Taking a little time now to think about your finances before the new tax year starts in April can make life feel calmer and more organised.

## Where to start?

A financial plan doesn't have to involve spreadsheets or complicated formulas. It can simply start with a few questions, like: 'What do I want to save for? Am I prepared for life's surprises? Could my money be working harder for me?'

For some Oddfellows members, the focus might be on simply enjoying life or planning for the future. Others may also be thinking about the younger people in their lives – children, grandchildren, or that teenager who changes career ambitions daily.

Small, regular contributions now could grow into something meaningful later.

## Start saving

Lucky for Oddfellows members, our financial services arm, Unity Mutual, is close at hand.

Unity Mutual is a regulated provider of ISAs and other savings and investment

products, which means they follow strict rules designed to protect our members.

Unity Mutual's Guaranteed Investment Bonds, including two, three and five year terms, offer fixed-rates for savers with a lump sum to invest, and Oddfellow members can benefit from preferential rates.

Alternatively, ISAs are a tax-efficient way to save or invest, whether you're building up funds to enjoy retirement or looking to help give your child a confident step into adulthood.

ISA Products available from Unity Mutual for Oddfellow members include a Lifetime ISA, a Flexible ISA and a Junior ISA, and you can also make the most of the Adult and Child Tax-Exempt Savings Plans.

## Get in touch

And the good news? You don't have to figure it all out by yourself. Unity Mutual is happy to chat with you about your goals, big, small, or somewhere in between.

Our friendly staff can provide information on what is available to you. They'll talk through things in plain English, not financial jargon, so you can make decisions confidently and comfortably.

Terms and conditions apply to all products.
