We are basically a group of friends brought together through shared interest in socialising, making friends and helping people. This issue features details of all our upcoming events.

Everyone is welcome at Oddfellows events. Even if you are not a member, we want to extend an invitation to you and your friends to attend any of our events that take your fancy and we like to think that we can guarantee you a good time.

A message from Jane Nelson, the Oddfellows CEO

Dear friends

For me, two things really stood out in 2021 – how resilient everyone has been, and how well we’ve adapted to so much change.

It’s been a tough 12 months on top of a previous tough nine months, and who knows how many more? However, as Oddfellows, you’ve looked out for one another, stayed open to doing things differently, and it’s getting us through. Your actions have made an amazing difference to so many of our members’ lives.

Gratitude

I want to thank you all for everything you have done. When speaking with our members and volunteers, and working alongside our Branches and staff in Manchester and Liverpool, I have felt immense pride – about our Society, everyone involved, and in Oddfellowship. By working together, we’ve shown that Oddfellows do what we say we do, no matter what challenges are thrown at us.

“Being there for our members continues to be our priority.”

At the start of 2021, we had hoped that by the end of the year things would feel a little brighter. We’ve made huge strides in our understanding of Covid, but the landscape is still very unpredictable. And when faced with uncertainty over a sustained period, it can make us feel overwhelmed and anxious.

One thing I’ve been doing to try and manage these feelings is to focus on what I can control, and acknowledging what I cannot. It’s not always easy, but it really has helped. Sitting with your thoughts or worries and working out what you can influence is time well spent. You can then identify the bits you can take action to change, which puts you in a more positive frame of mind. Covid is here to stay and the challenge for us all now is learning to live alongside it.

If you’ve needed support from us, I hope we’ve been able to help you where we can. Being there for our members continues to be our priority.

Online events are here to stay for as long as there is a need to keep people in touch with others from the comfort of their home. And our local and national care and welfare teams, and advice lines, will always be there for anyone who needs help to work through a problem or worry.

We sadly lost many people we cared about in 2021. To those that passed, we will always remember you. Our condolences go out to family and friends, and rest assured they'll always be in our thoughts and forever in our hearts.

We are having to cope with higher levels of uncertainty and worry at the moment, so we must make sure we rest well, smile as often as we can and be kind to ourselves and others. These are all totally within our control.

On behalf of the Society and my family, I would like to wish you and your loved ones a happy and healthy 2022.

Stay safe and well. Yours always in friendship

Jane Nelson

Lupus research team skills up for the future

In November we visited Guy's Hospital to see members of the Lupus Trust research team who have been the recipients of the Society's HA Andrews Memorial Fund since 2019. Lockdown had the unintended consequence of sending the research in a new direction.

The restrictions meant they had to abandon the laboratory to work from home but this gave them time to focus on learning how to analyse big data, a skill that will benefit the research well into the future.

Pictured is the Oddfellows' CEO Jane Nelson and Grand Master David Ogden handing over a cheque of £29,000

to Professor Jo Spencer and PHD student Bekki Velounias.

The donation marks the final instalment of a major three-year funding partnership, which totalled £85,000.
