EPILEPSY ACTION

Tina Moore, our Provincial Grand Master's (Chairperson) chosen charity over the next 6 months.

Here is what Tina Moore our Provincial Grand Master for 2026 has to say:

'I personally chose Epilepsy Action because when Colin, my husband, was diagnosed with epilepsy, I knew nothing about it. It is very frightening for both patient and carer when someone is having a seizure. It is not just a case of someone dropping to the floor and shaking, it's about the recovery period, the depression, the anxiety, their memory loss and how their medication affects them. Some people, like Colin, have more than one type of seizure and these can occur occasionally or on a daily basis.

Epilepsy Action is full of useful and helpful information. It is a UK-based charity that helps support people, like my husband, with epilepsy. The charity raises awareness and campaigns for better treatment and services for people with epilepsy.

Their website www.epilepsy.org.uk is full of details and facts for anyone looking after somebody with epilepsy.

The charity also has online courses, which will give you a greater understanding of epilepsy, both for the patient and the people around them.

For more information, just go onto the Epilepsy Action website, where you will find contact details if you need support or any further information on what, I believe, is a wonderful and often missed charity.'

The Humber Wolds District Lodge will be helping Tina raise awareness and financial help over the next 6 months through fundraising at our chosen social events.

Keep posted for further details... Thank You.

Unity Mutual: A brand-new website and exciting Oddies member benefits

Unity Mutual, the financial arm of the Oddfellows, is delighted to have launched a brand-new website.

The fresh design reflects its updated brand identity, but more importantly, it has been built with accessibility and inclusion at its heart – a continuation of the Oddfellows' ethos.

Whether looking for information on savings, investments or life insurance, the new site is easier to use, clearer to navigate and designed so that everyone can get the most from it.

Unity Mutual has partnered with Recite Me to introduce a full suite of accessibility tools, allowing visitors to customise their browsing experience. These include a text-to-speech function, styling features and translation options, which ensure their online services are available to all –

including those who may face barriers due to disability, neurodivergence or limited English language ability.

James Gilliver, Chief of Operations at Unity Mutual, explained: “Accessibility is extremely important to us at Unity Mutual. Our new website reflects our promise to inclusivity, ensuring all customers can access information in the way that best meets their needs.”

“But it’s not just about accessibility. We’ve also worked hard to make our content clearer and more engaging, so you can feel confident in understanding your financial choices. Our aim is to empower you and your family to make informed decisions about saving for the future.”

An extra reason to take a look is that Oddfellows members can currently benefit from special Guaranteed Investment Bond rates, available exclusively through Unity Mutual.

To see the new website, its new accessibility features and for more information about its products and rates, go to www.unitymutual.co.uk/oddfellows, and discover how Unity Mutual can help build a brighter financial future.

Application deadlines approach!

Whether it's enhancing careers or highlighting fantastic people, the Oddfellows has a number of ways we can give our members a boost – but we can only do so if we hear about them.

Deadlines for applications to be submitted for two of our wonderful schemes are fast approaching – the Apprenticeship Educational Award and the Making a Difference Awards.

Apprenticeship Educational Awards

Each year, the Oddfellows grants up to three Apprenticeship Educational Awards, which consist of £250 per year for the duration of the apprenticeship.*

Eligible members must apply via their Branch. If you, or someone you know, has been an Oddfellows member for five or more years, which includes Young Oddfellows membership, and started or plan to start an apprenticeship in 2025, get in touch with your Branch Secretary.

The Branch's deadline for submitting applications for consideration is **Wednesday 31 December 2025**.

*Each case is reviewed on personal merit. For previous recipients' stories, details on eligibility and how to apply, visit www.oddfellows.co.uk/educational-awards

Making a Difference Awards

Want to shine a light on those special people at your Branch who go above and beyond? Every Branch has them, so make sure we hear about their brilliance.

Any member can nominate a fellow member, so if there are people at your Branch who make a difference, speak to your Branch Secretary to find out how you can nominate them.

The deadline for Branches to submit their shortlist is **Saturday 31 January 2026**, so get your nominations in as soon as possible so they can be considered.

To find out more about our Making a Difference Awards, the categories, nomination process and the prior winners, go to www.oddfellows.co.uk/makingadifference

If you've missed these deadlines this time don't worry, just make a note for next year!

Thank you for saying 'yes' to friendship

This Friendship Month, we've been encouraging people to say 'yes' to trying new things, making new friends, and discovering all the brilliant things happening at our Branches throughout the nation.

It's safe to say, September 2025 has been another fabulous celebration of friendship. The Oddfellows' CEO, Jane Nelson, said: "Friendship Month 2025 has once again demonstrated what the Oddfellows is all about, and I'm thankful of every single

person up and down the country who had been a part of it."

"Saying 'yes' to trying new things can be daunting, but you've all done an excellent job of showing how positive it is to be a part of friendship groups like ours. So, thank you for saying 'yes' to helping make your Friendship Month events a success, whether that's organising events, serving cups of tea, or simply making people feel welcome and comfortable. It all adds up to another wonderful Friendship Month."

Can you help by volunteering?

We couldn't run all our events without wonderful volunteers. We need help to make sure we can keep our events as fun as they can be for all our members. There's lots of ways you can pitch in to help us, from one-off help to regular support. You can commit an hour a month, or more if you've got the time!

Volunteering could include meeting and greeting newcomers to make sure they feel welcome, or arranging activities, like quizzes or presentations, which we can help you run and promote.

If you can help by volunteering or want to find out more, contact Neil by phone on 01482 859234, or email neil.smith@oddfellows.co.uk
