Bookings and Cancellations

Please remember the importance of early booking for ALL events to avoid disappointment. We have cancelled some events recently due to low numbers, which in hindsight we would have been able to run but people who were planning to attend hadn't booked with Demi.

Remember – where charges apply, these are payable in advance and your place is not booked until payment is received!

Outdoor Events – Any event which is taking place outside will be weather dependent. It is ESSENTIAL that you book on for ALL events and provide us with up to date contact details so that we can advise of any changes or cancellations.

Thank you

I'd like to thank each and every one of you who has come along to an event. We are always on the lookout for new things to do. If you have any ideas or requests for things to do going forward then please just let me know at demi.trotman@oddfellows.co.uk or on **07722 010120**.

Also, if you have some spare time you can offer to support an event we are always looking for volunteers; Whether it's to welcome attendees, host events or just help out in general. Why not get involved and help us out at an event? The more volunteers we get the more events we can hold in more areas. It's that simple.

Important Notice About Claim Requests!

Please note that Benefit Claim requests asking for payment by cheque will take longer to process than normal. Due to a number of cheques going missing in the post, we now require all cheques to be countersigned in person before being issued. As a result, cheque payments will be made monthly.

For faster processing, we recommend choosing payment by BACS (bank transfer), as these payments are completed weekly and will reach you much more quickly. If you have a claim and would like us to transfer the money directly to your bank account simply put the details on your claim form and Kelly will arrange payment.

Our recent Oddfellows Brass Concert was a huge hit!

The concert took place on Sunday 21 September and we had 60 members and guests in attendance. We cannot thank the band and attendees enough for making it a truly memorable afternoon.

Unity Mutual: A brand-new website and exciting Oddies member benefits

Unity Mutual, the financial arm of the Oddfellows, is delighted to have launched a brand-new website.

The fresh design reflects its updated brand identity, but more importantly, it has been built with accessibility and inclusion at its heart – a continuation of the Oddfellows' ethos.

Whether looking for information on savings, investments or life insurance, the new site is easier to use, clearer to navigate and designed so that everyone can get the most from it.

Unity Mutual has partnered with Recite Me to introduce a full suite of accessibility tools, allowing visitors to customise their browsing experience. These include a text-to-speech function, styling features and translation options, which ensure their online services are available to all –

including those who may face barriers due to disability, neurodivergence or limited English language ability.

James Gilliver, Chief of Operations at Unity Mutual, explained: "Accessibility is extremely important to us at Unity Mutual. Our new website reflects our promise to inclusivity, ensuring all customers can access information in the way that best meets their needs."

"But it's not just about accessibility. We've also worked hard to make our content clearer and more engaging, so you can feel confident in understanding your financial choices. Our aim is to empower you and your family to make informed decisions about saving for the future."

An extra reason to take a look is that Oddfellows members can currently benefit from special Guaranteed Investment Bond rates, available exclusively through Unity Mutual.

To see the new website, its new accessibility features and for more information about its products and rates, go to www.unitymutual.co.uk/oddfellows, and discover how Unity Mutual can help build a brighter financial future.

Application deadlines approach!

Whether it's enhancing careers or highlighting fantastic people, the Oddfellows has a number of ways we can give our members a boost – but we can only do so if we hear about them.

Deadlines for applications to be submitted for two of our wonderful schemes are fast approaching – the Apprenticeship Educational Award and the Making a Difference Awards.

Apprenticeship Educational Awards

Each year, the Oddfellows grants up to three Apprenticeship Educational Awards, which consist of £250 per year for the duration of the apprenticeship.*

Eligible members must apply via their Branch. If you, or someone you know, has been an Oddfellows member for five or more years, which includes Young Oddfellows membership, and started or plan to start an apprenticeship in 2025, get in touch with your Branch Secretary.

The Branch's deadline for submitting applications for consideration is **Wednesday 31 December 2025**.

*Each case is reviewed on personal merit. For previous recipients' stories, details on eligibility and how to apply, visit www.oddfellows.co.uk/educational-awards

Making a Difference Awards

Want to shine a light on those special people at your Branch who go above and beyond? Every Branch has them, so make sure we hear about their brilliance.

Any member can nominate a fellow member, so if there are people at your Branch who make a difference, speak to your Branch Secretary to find out how you can nominate them.

The deadline for Branches to submit their shortlist is **Saturday 31 January 2026**, so get your nominations in as soon as possible so they can be considered.

To find out more about our Making a Difference Awards, the categories, nomination process and the prior winners, go to www.oddfellows.co.uk/makingadifference

If you've missed these deadlines this time don't worry, just make a note for next year!

Thank you for saying 'yes' to friendship

This Friendship Month, we've been encouraging people to say 'yes' to trying new things, making new friends, and discovering all the brilliant things happening at our Branches throughout the nation.

It's safe to say, September 2025 has been another fabulous celebration of friendship. The Oddfellows' CEO, Jane Nelson, said: "Friendship Month 2025 has once again demonstrated what the Oddfellows is all about, and I'm thankful of every single

person up and down the country who had been a part of it."

"Saying 'yes' to trying new things can be daunting, but you've all done an excellent job of showing how positive it is to be a part of friendship groups like ours. So, thank you for saying 'yes' to helping make your Friendship Month events a success, whether that's organising events, serving cups of tea, or simply making people feel welcome and comfortable. It all adds up to another wonderful Friendship Month."
