Meet Grand Master Debbie Jex

For Debbie Jex, the Oddfellows has been part of her life for more than 50 years. Recently elected as Grand Master, she remains characteristically modest about the honour.

"I know it's a huge honour and I am immensely proud," she says. "But half the time I'm just the District Secretary at Reading Oddfellows until somebody reminds me I'm the Grand Master."

Debbie first joined the Society as a child when her parents became members. However, it was in 1993, when she became Lodge Secretary, that her deeper involvement began.

"That's when I got pulled in," she jokes.

Over the years, the Society has provided much more than a role. It has become a source of friendship, connection and lasting memories.

"It's not just a job now, it's a way of life. It's a huge part of my social life, a huge part of my friendship group."

Looking back, Debbie believes the relationships she has built through the Oddfellows have enriched her life.

"I've attended some lovely events and made friends with lots of lovely people all over the country. So it's definitely enriched my life."

As Grand Master, Debbie sees her role as representing and championing members.

"I'm there to champion our members and make sure we're doing the best we can for them."

She is also excited about meeting members across the country and helping more people discover the support and friendship the Society offers.

"I'd like more members to know what a wonderful caring and benevolent Society this is."

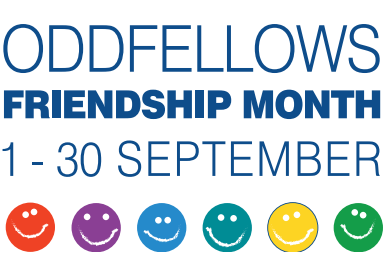

After decades of service, Debbie's message remains simple:

"The Oddfellows is there for you if you need it."

Friendship Month 2026: celebrating connection, community and companionship

Another Friendship Month has come to a close, with Oddfellows branches across the UK welcoming members, friends and guests to a wide range of free and low-cost taster events designed to bring people together and celebrate the value of friendship.

From coffee mornings and social lunches to walks, talks and special gatherings, September provided countless opportunities for people to reconnect with existing friends, make new connections and enjoy good company.

Keep friendships warm

This year's campaign focused on the importance of staying in touch as we move into the colder months, when opportunities to get together can sometimes reduce and feelings of isolation can become more common.

The campaign struck a chord with people across the country. Branches reported strong attendance at events and were especially pleased to welcome newcomers discovering the Oddfellows for the first time.

"A huge thank you"

Pam Casey, Secretary of the Order, said: "A huge thank you goes to every branch, volunteer, organiser, member and guest who helped make Friendship Month 2026 such a success.

Concord Oddfellows celebrated Friendship Month in style at their popular coffee morning in Aldershot.

"Your enthusiasm and willingness to reach out to others demonstrated the positive difference that friendship can make in our communities."

Steph Hopes, Branch Secretary for Concord Oddfellows, said: "We welcomed several people who had never attended an Oddfellows event before. By the end of the morning, everyone was chatting as though they'd known each other for years. It was a fantastic atmosphere."

Handforth and Altrincham Oddfellows met up for a round of adventure golf.

Sharon Hulse-Cottle, Branch Secretary of Handforth and Altrincham Oddfellows, said: "Our members did a brilliant job of helping newcomers feel at ease. By the end of the event, there was a real buzz in the air. It was lovely to see new faces becoming part of the group."

Expert support

Friendship Month also helped raise awareness of the wider benefits of friendship. During the campaign, expert anthropologist Dr Anna Machin supported the initiative by sharing insights into the importance of maintaining meaningful relationships and making time for regular face-to-face contact.

While Friendship Month may be over, the opportunities certainly aren't. With a busy programme of events planned throughout autumn, winter and beyond, there are still plenty of ways to meet new people, try something different and strengthen existing connections.

You can always find details of upcoming local and online events at www.oddfellows.co.uk/events

Birmingham Oddfellows shared positive messages of friendship at its events.

Important update to some membership benefits

As part of our regular review of the services and support we provide, three discretionary, non-contractual membership benefits were withdrawn on 16 September 2026.

The benefits affected are **Legal Aid Scheme, Accidental Death Benefit** and **Emergency Financial Aid**.

The change applies to new Standard, Extra Benefits and Young Oddfellows members joining from 16 September 2026, and to existing Standard, Extra Benefits and Young Oddfellows members when they renew their membership.

Existing members will continue to have access to these benefits until their renewal date.

Any claims, applications or cases already received and in progress will continue to be considered and fulfilled in accordance with the relevant benefit terms and conditions.*

As with all member benefits, the Society regularly reviews its offering to ensure it remains relevant, appropriate and sustainable. While these three discretionary benefits have been withdrawn, no other membership benefits have been affected.

The Society remains committed to providing members with valuable support, friendship and opportunities to connect with others.

Members who have questions about how this change affects them or their membership can contact the Membership team on **0800 028 1810** for further information, or email **membership@oddfellows.co.uk**

Apprenticeship Educational Awards

If you're starting an apprenticeship, the Oddfellows' Apprenticeship Educational Awards could help with some of the costs along the way. Each year, up to three eligible members can apply to receive a non-repayable bursary of £250 per year for the duration of their apprenticeship.*

The award can be used towards expenses such as textbooks, equipment, rent, bills and other practical costs.

To apply, members must have at least five years of continuous Oddfellows membership (which can include Young Oddfellows membership) and be starting their first apprenticeship. This is a discretionary benefit and applications are assessed on a case-by-case basis.

To find out more or request an application form, contact your Branch Secretary as soon as possible. Applications must be submitted by 31 December each year.

*Terms and conditions apply to all Oddfellows benefits, which are non-contractual and may be withdrawn at any time without notice. Financial benefits are awarded at the Society's discretion, not guaranteed, and claim applications may be declined. For full details, call 0800 028 1810 or visit www.oddfellows.co.uk/member-tcs

Social Branches Meetings and Contacts

Our Social Branch meetings are a great way to meet other members and to gain an understanding of what is happening in the Branch and the District. There is always a short minuted Branch meeting, which is also a nod to our history and traditions, before refreshments are served and the fun and games start.
