Recent Events

My First Panto!

Hi, I am Svitlana, and I am experiencing many things here for the first time. Pantomime is a very traditional type of winter entertainment in the UK, but for me, a person who grew up in different culture, it was amusing to join this fun. I love to explore British culture and be able to try things I didn't do as a child. We should let the child in us enjoy doing unusual things, whatever age we are! It is always better to be surrounded by friends and share your enjoyment.

NEW Games Club

This new group started in Oswestry Oddfellows. We love to stretch our legs and have time for just playing games.

We have a domino table, with maestro Stuart showing us how to play: will anyone EVER beat him!? Our curling players become more experienced with every game, inspired by the Winter Olympics no less. And of course, if you just want to watch, a cuppa is always hot and available for you.

Christmas Celebrations

Nothing can be more uniting than a scrummy Christmas lunch. This magical time of the year is one to share with friends, old and new. As usual, we chose The Keys in St Martins, known for its amazing kitchen and excellent service. In the best traditions, many of us dressed according to the festive season. We made a wish to have a lots more celebrations together!

From inspiring talks and creative arts and crafts sessions to fun games, gentle exercise and calming meditation – there's something for everyone. These online gatherings are a wonderful way to reconnect with familiar faces and meet new friends from all over the UK – all from the comfort of your own home. Who knows? You might even discover a new passion along the way!

Thousands raised for Hurricane Melissa relief efforts by Oddfellows branches

The Oddfellows has donated £10,000 to support the Jamaica Red Cross' Hurricane Melissa Emergency Appeal.

Thanks to the generosity of Oddfellows branches across the UK, and with additional support from central funds, the donation will help communities affected by the devastating storm rebuild their lives.

Hurricane Melissa, a Category 5 hurricane, made landfall in Jamaica on 28 October 2025. The strongest hurricane ever to strike the island, it caused catastrophic damage and impacted nearly 1.9 million people.

Essential supplies

The funds have been sent to the Jamaica Red Cross, via the International Federation of Red Cross and Red Crescent Societies (IFRC), to support ongoing emergency relief and recovery efforts. This includes providing essential supplies, shelter, and longer-term assistance to those whose homes and livelihoods were affected.

Pam Casey, spokesperson for the Oddfellows, said: "When communities are devastated by disasters of this scale, the need for swift and compassionate support is critical. We are incredibly proud of our branches for coming together to raise these funds.

"Every contribution helps people to access shelter, food, and vital services as they begin the long process of rebuilding.

"Supporting this appeal reflects the very best of Oddfellowship – standing alongside others in times of greatest need."

The Oddfellows extends sincere thanks to everyone who contributed to the appeal and helped make this support possible.

Further information about the Jamaica Red Cross' Hurricane Melissa Emergency Appeal can be found at www.ifrc.org/emergency/jamaica-hurricane-melissa

Talented trio win Educational Awards

We're proud to announce our 2025 First Degree Course Educational Award winners: Melanie Healy (Humber Wolds Oddfellows), Will Stevenson (Pride of Woolwich Oddfellows) and Emma Corbin (Worcester Oddfellows).

Each winner will receive a non-repayable bursary worth £900 per year for the duration of their studies, which can go towards anything from text books and vital equipment to helping out with rent, bills and other practical items.

Jane Nelson, CEO of the Oddfellows, said:

It fills me with pride each year when we announce the winners of the First Degree Course Educational Awards, and I'm sure that Melanie, Will and Emma will work hard and have a wonderful university experience.

University is an exciting time, but it can also be quite stressful. I hope this money will go some way to help reduce some of the financial pressures that are a reality of being a student.

Melanie Healey, Humber Wolds Branch

In October 2025, Melanie began her Asian and Middle Eastern Studies course at the University of Cambridge. The four-year course will begin with learning Arabic language skills from scratch, building up her existing French language skills and looking at French Literature.

She says she is hoping to put the money towards travelling to French and Arabic-speaking countries for internships and exchanges to help sharpen these skills.

Melanie said: "I was delighted when I found out that I'd been chosen to receive the funding, and I would like to thank the Oddfellows for the grant."

Although unsure what her career plans are at this stage, Melanie says she "would definitely like to work in a role that allows me to use my language skills".

Will Stevenson Pride of Woolwich Branch

Will started reading Geography at the University of Durham's Trevelyan College in Autumn 2025, where modules cover

topics such as climate change, physical geography, human geography, geographical research and geographies in crisis.

The money, he says, will go towards the social aspects that university life has to offer, such as the Durham University Big Band.

Will said: "Hearing I was a recipient of the award was incredibly exciting, and I am extremely thankful to the Oddfellows for the trust and generosity they have offered me."

Will also hasn't mapped out his career plans at this stage, but says that's one of the reasons the course appealed to him, given "the breadth of Geography and its wide application".

Emma Corbin Worcester Branch

Unbeknownst to either, Emma and Will have ended up on the same Geography course at the University of Durham.

Emma plans to put the money towards learning materials and field trips.

"I felt extremely grateful and lucky when I was picked as one of the successful candidates from what would have been many amazing applications," she said. "I would like to say how thankful I am. It is a great opportunity to have an award like this available."

Emma too hasn't decided which direction she wants her career to take, but thinks her chosen course will provide her with a range of opportunities.

"It's an increasingly relevant subject, considering topics such as climate change and geopolitics," Emma added.

More about our Educational Awards

Each year, our Fraternal Board chooses who will receive the Educational Awards funding, based on the applications received from members. To learn more about the awards, including the Apprenticeship Educational Award, eligibility and how to apply, visit www.oddfellows.co.uk/benefits/care/educational-awards.

2026: Time to make a financial plan

a proud part of the Oddfellows

The year might have only just started, but we all know how quickly the calendar can flip. One minute it's spring, and the next we're wondering where the mince pies have gone.

Taking a little time now to think about your finances before the new tax year starts in April can make life feel calmer and more organised.

Where to start?

A financial plan doesn't have to involve spreadsheets or complicated formulas. It can simply start with a few questions, like: 'What do I want to save for? Am I prepared for life's surprises? Could my money be working harder for me?'

For some Oddfellows members, the focus might be on simply enjoying life or planning for the future. Others may also be thinking about the younger people in their lives – children, grandchildren, or that teenager who changes career ambitions daily.

Small, regular contributions now could grow into something meaningful later.

Start saving

Lucky for Oddfellows members, our financial services arm, Unity Mutual, is close at hand.

Unity Mutual is a regulated provider of ISAs and other savings and investment

products, which means they follow strict rules designed to protect our members.

Unity Mutual's Guaranteed Investment Bonds, including two, three and five year terms, offer fixed-rates for savers with a lump sum to invest, and Oddfellow members can benefit from preferential rates.

Alternatively, ISAs are a tax-efficient way to save or invest, whether you're building up funds to enjoy retirement or looking to help give your child a confident step into adulthood.

ISA Products available from Unity Mutual for Oddfellow members include a Lifetime ISA, a Flexible ISA and a Junior ISA, and you can also make the most of the Adult and Child Tax-Exempt Savings Plans.

Get in touch

And the good news? You don't have to figure it all out by yourself. Unity Mutual is happy to chat with you about your goals, big, small, or somewhere in between.

Our friendly staff can provide information on what is available to you. They'll talk through things in plain English, not financial jargon, so you can make decisions confidently and comfortably.

Terms and conditions apply to all products.
