A message from our Provincial Grand Master (Chairman)

It has been very busy for the first six months as my tenure as Provincial Grand Master, I have tried to get round as many Branch functions as possible but this has been very difficult, because for most of the time I have not been able to drive due to operations on my eyes and I have to thank Colin Peacefull for acting as my chauffeur, we called this the Grand Masters tour.

Thank you all for making us most welcome and your hospitality.

We have managed to recruit new members which is always good news. A big thank you to Lauren who works tirelessly on our behalf and our members efforts, especially in September Friendship Month. May I take this opportunity to wish you all a very happy Christmas and a happy, healthy new year!

Christmas wishes from the Mulberry District Branch

As we approach the last two months of the year (at the time of writing this) the days are getting darker, the weather is definitely getting colder. During the last four months we have had some great social events, Friendship Month was great fun with new members coming along to their first social event, we had coffee mornings, afternoon teas, skittles and a lunch just during September alone.

In November we went on a boat trip up the Grand Union Canal with 27 members and non-members in attendance. Despite the wet weather we had a lovely day and we all thoroughly

enjoyed the fish and chip lunch which was brought to the boat. Jamie, one of our young oddfellows was given a certificate of excellence in his help steering the boat and assisting with the locks. Well done Jamie! We have some lovely events coming up next year, please see the events listings for further information

News from Chiltern (Hemel)

You will see from the pictures we have had a great few months with social events including a skittles tournament and the winner Mel Allum being presented the cup by our young member, Jamie. In June and July we had a quiz at our coffee morning. September we had a very good talk by Oakhouse Foods.

In September to celebrate friendship month we had another skittles tournament with Michael Holloway winning the cup. Our coffee morning in October was a flight over Egypt with a video given by Malcolm Allum, in November we had a wonderful quiz and our winner was Janet Manning. Happy Christmas and New Year to you all from the Chiltern Branch.

The Oddfellows

It's nice to be an Oddfellow, and we're not odd at all, the benefits are many and the outlay very small, we do our bit for charity, to help out those in need, and as for social life, we like it very full indeed!

But when life's not so sunny, but confusing, like a maze, the Oddfellows support me in a hundred different ways, it's very reassuring, though I may be on my own, that someone will advise me if I just pick up the phone.

And when misfortune finds me, when skies are looking stormy, I'll have someone to turn to, to fight my corner for me, to join the Oddfellows, one of the oldest, newest, trends, is to feel a little safer, in the company of friends.

Pam Ayres

Meet the Grand Master

Vale of York Oddfellows' Barbara Needham was officially welcomed as the Society's Grand Master (Chairman) during the annual conference in May, a position she'll hold for two years.

The oldest of five in a close family, at weekends they would often travel around Yorkshire and go camping. It was during these trips she met Peter, a member of the Oddfellows since birth who would go on to become Grand Master himself.

Barbara joined the Oddfellows' Good Samaritan Lodge in Goole when she married Peter in 1973. "It was all arranged within four weeks," she said. "Nothing like the expensive events that happen today!"

"I borrowed my sister-in-law's wedding dress. Peter got a new suit. We catered ourselves in the local village hall. I think the wedding cost us £14, which is all you had to pay for the licence, and then we went away camping for our honeymoon."

Barbara and Peter would later welcome daughter Claire into the world, herself an Oddfellow, who would go on to have a successful accountancy career.

Barbara's career was in primary education, most notably a 30-year stint at a school

in Broughton where she ultimately became Head Teacher.

"It was something that I'd always wanted to do ever since I went to school. I never wanted to do anything else," Barbara said.

Despite representing the Society in a variety of roles, Barbara says that never in her wildest dreams did she anticipate becoming Grand Master.

"It's a great honour because you're just a custodian," she said. "Although you wear the chain and you're the figurehead, that's not what makes you an Oddfellow. What makes you an Oddfellow is what's in your heart."

"I just want to do my best, because the ethos of Oddfellows is what we should all live by. The whole world would be a better place if people looked after each other."

Thanks for filling your September with friendship!

Jane Nelson, the Oddfellows' CEO, has reflected on another successful Friendship Month:

"Wow, what a brilliant Friendship Month we had! All our Branches have worked extremely hard to make each and every one of near 250 special taster events a great success.

"Be it coffee mornings, music events, walks, meals or games, we've loved seeing

the happy, smiling faces of people enjoying the benefits of friendship.

"To everybody who attended, hosted or volunteered at our Branches' Friendship Month events this year, I'd like to say a big THANK YOU! It's your hard work that ensures our continued success."

Take a look at some of the fun that's been had by some of our Branches!

Help with Lasting Power of Attorneys

Arranging a Lasting Power of Attorney (LPA) can seem daunting, so our Head of Care and Welfare, John Aitken (pictured right), has answered some frequently asked questions about them.

What is an LPA?

There are two types and you can do one or both:

A property and financial affairs LPA covers decisions about money matters, for example buying and selling property, dealing with bills and running bank accounts. You can start using this at any time.

A health and welfare LPA covers decisions about health and care matters including medical treatment, where someone should live and who they should have contact with. This can only be used once the person has lost capacity.

What is 'losing capacity'?

This means no longer having the understanding or mental faculties to make decisions. Once someone loses capacity it is too late to set up a Power of Attorney. If this were to happen, family members would need to apply to the Court of Protection to take control of their assets and finances, which can be a lengthy and costly process.

How do LPAs work?

The person making the application is the 'donor' and can give power to an 'attorney' to make decisions and take actions on their behalf.

The donor can choose multiple attorneys and specify which decisions they can make. If there is more than one attorney, the donor can specify whether they can act alone or must make decisions together.

The LPA must be signed either by a solicitor or someone else of the donor's choosing to certify the LPA and confirm that they understand and have not been pressured into it.

Family members can't do an LPA for someone. Like a will, people must do it for themselves with no coercion.

How much does it cost?

It costs £82 to register each type of LPA (so £164 in total) with the Office of the Public Guardian (OPG). People on means-tested benefits or a low income can get an exemption or reduction of this fee. If you choose to use a solicitor, their costs will need to be added.

For more advice on LPAs, including how to make an application and links to relevant websites, go to www.oddfellows.co.uk/news/help-with-lasting-power-of-attorneys
