Plymouth Oddfellows Present Much Needed Gifts To 'Hope for the Homeless Plymouth'

A large suitcase packed with personal toiletries has been presented by members of Plymouth Oddfellows to local good cause 'Hope for the Homeless Plymouth'.

Gary Parsons, a volunteer from 'Hope for the Homeless' attended a recent gathering of members of the Pride of the West with St. Andrew's Lodge which meets at St. Budeaux Community Hall and received the generous gift which will be used to assist the increasing number of homeless people and others in need.

Gary explained that he was one of several volunteers meeting in 'The Garage Café' in Union Street helping dozens of people and that the large amount of personal

hygiene items ranging from soap to toothpaste and toothbrushes, shower gel to razors was a wonderful gift from the local Oddfellows.

Brenda Lowe, Noble Grand, in effect Chair, of the Oddfellows in Plymouth and herself a tireless worker for local charity said, "When we heard of the wonderful work being done by the good folks at 'Hope for the Homeless' and having assisted other such causes in the past, we agreed to raise the money to purchase as many hygiene items as we could possibly cram into a large suitcase and to present it as a gift. The Oddfellows has a long and proud history of looking after its own members but we always think of others in need as well."

Many Congratulations Peter and Mervyn!

The award of the Meritorious Service Jewels to Brother Mervyn Eaton and Brother Peter English were pinned on by Sister Jane Nelson CEO who warmly congratulated both on over 88 years of membership between them.

These awards are the highest honour, other than that of Grand Master of the Order, that can be bestowed on a member and

only 250 have ever been produced and presented, with Mervyn being the 249th recipient and Peter the 250th. The jewels are of solid gold and are of a unique design approved during the early years of the 20th century.

Peter is one of only five recipients of the award ever in the Plymouth and Truro District and has served in a wide variety of roles at national, regional and local levels during his 52 years as a member.

Members of the Oddfellows Truro Friendship Group which meets in the upstairs room at the Central Bar tackled a series of autumn theme table top quizzes and puzzles during their monthly gathering.

Successful Oddfellows Half Yearly Meeting

A successful and well attended half yearly meeting of Plymouth and Truro District Oddfellows has been held at Oddfellows Hall, Redruth.

Representatives of the Oddfellows Lodges and friendship groups from across the District gathered for a fish and chip lunch before the meeting proper commenced under the chairmanship of Tina English who is serving as Provincial Grand Master for Plymouth and Truro.

Reports were given by the District officers and committee members on matters relating to the national and regional conferences held in North Wales and Bournemouth respectively and to which the District sent delegates.

Welfare, benefits and support available to members was reviewed and discussed as well as the programme of events for the six months ahead which members have been notified of in a colourful news and events brochure posted out.

District Secretary, Peter English reported on the financial accounts including investments and returns administered by the branch for the benefit of the members and these were approved together with the District appointments.

The event concluded with tea, coffee and a wide selection of cakes and biscuits.

Harnessing the warmth of friendship

I hope this message finds you well. Where has 2024 gone?

As we move into a new year, it's a perfect time to reflect on 2024 and prepare ourselves for fresh opportunities and challenges.

The best changes bring happiness to our lives, and better still, the lives of those around us.

Last September, during Friendship Month, we introduced the nation to 'frenergy' – the positive energy exchanged between friends. True friendships are more than just companionship, they thrive on mutual support and uplifting one another – something that, I'm proud to say, is evident throughout our Society. We all have those special people who are there for us in the good times but are equally importantly when life throws us challenges.

Spreading friendship

Let's continue to create that warm, positive feeling everywhere we go this year. Offer encouragement, make a new face at an Oddfellows event feel welcome, or simply make sure to really listen to each other.

A kind word or a helping hand can be transformative for ourselves and those around us, and create ripples of positivity that extend beyond our personal circles.

Frenergy can even be transferred through an unexpected smile or a nod at a stranger in the street. I know it makes my day when it happens and you'd be surprised how often they smile back – confirmation that it has lifted their spirits too.

2025's positive foundations

We welcomed more new members to the Society in 2024 than we have for many years, which is a credit to the atmosphere created within our Branches.

This is a positive foundation to build on, but more can always be done. There will always be people who could benefit from our friendship and support, so let's keep spreading the word.

In this season of reflection and renewal, I hope we all have the drive to pursue our goals while providing and receiving friendship's invigorating energy. One thing is for sure – whether tackling adversity or celebrating success, we are stronger together.

Wishing you and all those close to you a very happy and healthy 2025.

Yours always in friendship,

Jane Nelson, CEO, the Oddfellows

Measuring and offsetting our carbon footprint

We're a Carbon Neutral Plus Organisation and have been calculating and offsetting our annual carbon footprint since 1 April 2020.

Such measurements have resulted in a number of changes to how we operate, with the focus being on the reduction of greenhouse gas emissions.

Our carbon footprint

Our carbon footprint is the total amount of greenhouse gases generated by our actions and measured in units of carbon dioxide equivalents (CO₂e).

Between 1 April 2023 and 31 March 2024, 77.78 tonnes of CO₂e was identified as being produced through the operations of the Oddfellows' Manchester and former Liverpool offices, and its associated transport activities, which includes our financial services brand, Unity Mutual.

The amounts include fuel consumption, company-owned vehicles, staff business travel and homeworking. And, for the first time, emissions as a result of employee commuting have been included in the 2023/2024 assessment.

Reducing and offsetting

The Oddfellows' CEO, Jane Nelson, said: "Our focus is to keep learning through our assessments and to make incremental changes to the way we operate so we can bring our greenhouse gas emissions down and play our part in tackling climate change."

To offset our market-based carbon footprint for 2023-24, the Society has funded a range of carbon dioxide-saving initiatives around the world, including in Ghana, Zambia, Thailand, Turkey and India.

Jane added: "We aim to become Net Zero as a Society. This is where we reduce our carbon emissions to the lowest amount possible and offset as a last resort.

"While we are on that journey, our promise is to always offset our carbon footprint."
