Members take centre stage

Look out for some familiar faces this autumn!

Throughout October and November, the Oddfellows is running an upbeat new advertising campaign across the UK aimed at reaching the nation's retirees.

Built around the theme of 'real people, real joy, real experiences', the campaign shines a spotlight on the authentic friendships and shared laughter found within our local groups.

Member models

Members from Leeds, Derbyshire Peak, Mersey, Handforth and Altrincham, Mid-Staffordshire, Nottingham Trent, and Ormskirk and Southport Oddfellows all stepped forward to help.

They spent an exciting day at a professional studio shoot in Manchester working alongside an experienced production crew.

"It was such a fun day," said Andrea Jenner from Derbyshire Peak Oddfellows. "There was lots of laughter and interaction with Oddfellows from other areas."

Carol Pitchford from Leeds Oddfellows agreed, adding: "It was lovely to meet up with a crowd of strangers who then became friends."

Spreading the word

The adverts will be appearing on Facebook and Instagram, online via Rest Less and in upcoming print editions of Saga Magazine, Yours, and Woman's Weekly.

Spokesperson for the Oddfellows, Pam Casey, said: "We wanted the campaign to reflect the real people at the heart of our Society. Our groups are places where people can simply be themselves, enjoy real companionship, and feel genuinely supported."

How you can help

While we hope this campaign inspires more retirees to give us a try, as members, you're our best ambassadors. If you know someone who would benefit from our social events, travel opportunities or welfare support, please encourage them to head to www.oddfellows.co.uk/retirement to find out more.

Celebrating our 2026 Making a Difference Award winners

We are thrilled to announce this year's incredible Making a Difference Awards winners: Richard West of the Royal Berkshire Branch in the Reading District, and husband-and-wife duo Roger and Susan Williamson of the King's Lynn and West Norfolk District.

The Awards highlight the wonderful ways our members go above and beyond to ensure their branches are the best they can be for their fellow members.

Richard West: Reading's 'guardian angel'

Debbie Jex and Richard West

Presented with the 'Enriching Lives Socially' Award by Deputy Grand Master (Deputy Chair) Debbie Jex, 88-year-old Richard West helps to bring joy and positivity to his fellow members in all he does in organising and hosting social events.

Since joining the Reading District in 1992, Richard has worked tirelessly to build a varied and exciting social programme for his fellow members.

Alongside his late friend Doug Walters, Richard helped establish popular singing and exercise groups, and even relaunched a folded group in the nearby village of Pangbourne, which is now in its tenth year.

From coordinating monthly quizzes to organising glamorous annual trips to the Ascot Races, Richard pours his heart into everything he does.

For many, his efforts have been transformative. "We have a number of ladies who say the choir has become a lifeline for them," Richard shared. "I like seeing them enjoy themselves. You can see how it benefits them individually."

Debbie Jex is also Reading Oddfellows' Branch Secretary. She added: "I don't know where we'd be without Richard. His energy is boundless and his enthusiasm even more so. One member has even described him as a 'guardian angel'."

Roger and Susan Williamson: A wonderful team

(L to R) Roger Williamson,
Susan Williamson, John Mann
and Alison Schultz

The Oddfellows' Grand Master (Chair), John Mann, presented the 'Achieving Together' Award to Roger and Susan Williamson. Both in their 80s and Oddfellows members since 2008, the couple's commitment and kindness are renowned at their Branch.

Both take a seat on the King's Lynn Oddfellows' Committee of Management, ensuring members' voices are always at the heart of decision-making.

Roger, a Trustee and three-time Past Provincial Grand Master, hosts walks,

bingo sessions for up to 40 members, and a popular monthly quiz.

Meanwhile, Susan coordinates the kitchen, manages supplies, and runs the raffles.

The couple were incredibly modest about their win. "Initially, I thought it was a joke because the letter turned up on the first of April," laughed Roger.

Susan added: "We're only doing what anybody else would do, but it's nice to know that people appreciate it. To win the award together is special."

Branch Secretary Alison Schultz praised their selflessness, saying: "They offer friendship to so many in the way Oddfellows should, and treat everyone with consideration, kindness and compassion."

Shining examples

Richard, Roger and Susan are proof that our Society thrives because of the generosity and warmth of our members.

Thank you to all who go above and beyond to help and support others within their Branch.

It's never too early to talk about money

At Unity Mutual, the Oddfellows' financial services brand, we believe it's never too early to talk to the young people in our lives about their finances.

Today's younger generations have a lot to consider, with rising costs, student debt and spending temptations online. Simple chats about saving, budgeting and planning ahead can help young people feel more confident about money as they grow and become more independent.

Passing on more than money

Helping younger family members financially is wonderful, but sharing knowledge can be even more valuable.

Explaining different saving tips, how debt works, or pensions and retirement, gives younger generations practical lessons they may not hear elsewhere. Even small conversations can leave a lasting impression.

Don't wait to save

One way to encourage good saving habits is through a Unity Mutual Junior ISA*, which allows children to start saving and is a great way to introduce them to finances and investment.

Opened by a parent or guardian, family and friends can contribute up to £9,000 per tax year, with any growth free from UK tax. All the money saved belongs to them and once they reach the age of 18 can be put towards things like university costs, driving lessons, or even a deposit on their first home.

Making money conversations normal

The best financial lessons are often the simplest ones. Talking openly about saving for goals, comparing prices, or handling debt helps children develop healthy habits. Younger family members are more likely to feel confident about money if the adults around them discuss it calmly and honestly.
