Come and have a go at Indoor Curling! We tried this earlier in the year, and had a great time, once we worked out what we were doing! But this time we might have more of an idea, at least with the scoring.... It's a little bit of gentle exercise, we promise there are no bended knees and no-one sliding along the floor. It's open to everyone, including wheelchair users, but if you just want to come along to watch and have a catch up with some friends that's fine too. We'll have a break at half time for a cup of tea and a biscuit as well. We'll be in the Oswald Room at the Memorial Hall from 2pm. If you want any more details, contact Vivienne on 07706 036305. ## Oddfellows Brass Band Concert

2pm

£5 per ticket, £20 for the bus

We had a great concert last October, when the Oddfellows Brass Band visited the Oswestry Cricket Club and regaled us with a wide selection of really toe-tapping music, old and new favourites amongst the programme.

Their enthusiasm and love for what they do is so infectious, all our sell out audience were doing their best chair-dancing and loved the intimacy of the venue – it felt like we were really amongst the band themselves. We had so many lovely comments and great feedback on the day, many of you asked if we would be able to hold such an event again. However, the band have such a busy schedule, competing all over the country in national events, that being able to book them two years running sadly isn't possible, but our neighbouring Branch of Oddfellows, the Severn and Trent Branch are holding a concert in October this year and we have been able to obtain a limited number of tickets for our Oswestry members.

The date for your diary is Saturday 5 October, from 2pm to 4pm at Church and Chetwynd Aston Village Hall. Tickets are available on a first come, first served basis and are £5 for the concert itself. We are laying on a mini-bus from the centre of Oswestry to take us there and back, if you would like a place on the bus, the cost will be £20 – so £25 in total. Church and Chetwynd Aston Village Hall, Wallshead Way, Church Aston, Newport TF10 9JG. If you would like to go, please contact Vivienne on 07706 036305 by Wednesday 11 September.

# RAF Cosford

**A select group of the Oswestry Oddfellows paid a visit to RAF Cosford on Thursday 20 June 2024. We had a lovely day, the sun was shining (in fact it got quite warm for some) and we had a good few hours to meander around all the exhibits and the various hangars showing aircraft from the early 1900s.**

A highlight of the day was the guided tour by Cameron, from the volunteers at RAF Cosford – as an aircraft historian and retired engineer, he was able to bring to life all the aircraft and stories from the Battle of

Britain exhibits – his undoubted knowledge and passion for his subject really made the time fly (no pun intended...) Everyone enjoyed their time at the museum, rounded off with a raffle and chocolates on the bus home – I'm sure we'll visit again!

# Bring friendship to your front room

There are many reasons that might prevent you from being able to attend some of our events in person. A clash in the diary might mean something else takes priority, you might not be able to spare the cost this time, or perhaps you just want to stay close to home that day.

We want people to enjoy the benefits of friendship no matter what. That's why branches all over the country host around 50 free online events each month, ranging from talks, arts and crafts and games, to exercise and meditation sessions.

These online events are a great opportunity to catch up with familiar faces and meet new and interesting people from all corners of the country from the comfort of home. You might even discover a new favourite hobby.

## What's coming up online

We have some wonderful online events coming up and we'd love to see you there.

### On Tuesday 6 August at 7pm 'Women in the Picture'

Join us on Zoom by going to [www.zoom.us/join](https://www.zoom.us/join) and entering Meeting ID: 851 6847 9066 Passcode: 935814. Followed by **Art Unscrewed** on **Tuesday 20 August 4pm**, both sessions will be focussing on women artists.

Anyone is able to attend an Oddfellows online event, no matter where they live or if they're a member or not. So spread the word.

All our online events are hosted on Zoom. If you haven't tried Zoom video-conferencing before and would like help on how to use it, let us know. You can come to me, or email the Events team on [events@oddfellows.co.uk](mailto:events@oddfellows.co.uk), with any questions and we'll help you get logged on and ready to join in.

To find out about all upcoming in-person and online events, including online events hosted by other branches, go to [www.oddfellows.co.uk/events](https://www.oddfellows.co.uk/events) or ask me to send you a list by email.

## Members meet in Llandudno for AMC

**The late May Bank Holiday weekend in the beautiful North Wales coastal town of Llandudno was the setting for this year's Annual Movable Conference (AMC).**

Hosted by Deeside Oddfellows, members from throughout the UK made the trip to reflect on the previous 12 months and discuss and vote on the course of the next, all presided over by the Grand Master (Chairman), Vale of York Oddfellows' Barbara Needham.

*Business conducted, AMC Llandudno*

As well as business, attendees enjoyed a range of social activities, with Oddfellows Brass putting on another wonderful performance.

*Oddies on the coach to Portmeirion*

Members also took part in a ceilidh at the welcome evening, graced the green at the annual Roy Harmer Memorial Bowls Tournament, took a day trip to Portmeirion and got all dressed up for the Farewell Dance.

## Who should be our next major Fund recipient?

**Our HA Andrews Memorial Fund provides major financial support over a two or three year period to a project or organisation involved in, or conducting, medical research in the UK.**

The funding for Southampton University's Centre for Cancer Immunology, which was nominated by a member in Guernsey, is in its final year, so we're now open to suggestions on who to support from 2025.

If you've a suggestion of who we can support next, let us know. Go to [www.oddfellows.co.uk/ha-andrews](http://www.oddfellows.co.uk/ha-andrews) to find out more about the criteria, how to nominate and our deadlines.

# Making a Difference Awards 2024

Five members have received national recognition for the brilliant and selfless work they put into making their Branch and the Society as wonderful as they can be.

## Terry Rendle, Oswald Branch Enriching Lives Socially

This award celebrates Terry's contributions to the running of Oswald Branch's social events.

He regularly comes up with ideas for events, plans and advertises them, organises and purchases supplies, arranges

catering, sells tickets, physically arranges chairs and tables in the room, taxis people to and from, hosts and clears up after. All this at the age of 84.

"Socialising is so important as you get older," Terry said. "It keeps your brain busy and your body busy which means you might last a bit longer."

He added: "I was flabbergasted. I had to read the letter three times before I realised what I was reading."

## Pat and David Lang, Three Counties Branch Achieving Together

The married couple from Didcot, Oxfordshire, joined the Oddfellows over half-a-century

ago, and in that time have taken on many voluntary roles, including serving as Branch Chairman five times between them.

They are Welfare Visitors, regularly checking in on around 50 fellow members, and are well known for providing food for events and meetings. They are also responsible for an annual Christmas lunch event which, since 2009, has raised over £2,100 for the HA Andrews Memorial Fund.

David said: "It has never been about being rewarded. We love what we do, it's as simple as that.

Pat added: "I'm honoured. We have much to thank the Oddfellows for and have met so many lovely people."

## Peter Coe, City of Norwich Branch

*Working in the Spirit of Mutuality*

As a mutual society, the Oddfellows is run by and for our members and this award seeks to recognise those who have gone the extra mile to assist in the running of their Branch and the Society as a whole.

Peter has gone several extra miles, having held a number of voluntary roles, including Branch and

District Chairman, and is still a member of the social committee to this day, helping to organise many wonderful events.

Peter said: “The Oddfellows is full of very, very friendly people. We all get on. I’ve made some very good friends here over the years.

“It’s my life. It’s what I do. The best thing I did was join the Oddfellows.”

## Claire Needham, Vale of York District Giving Something Back

Lifelong member Claire has been recognised for the work she does to raise money and awareness for worthy causes.

She donated nearly £3,000 for Motor Neurone Disease Association and Martins House Children’s Hospice having run the Rob Burrows Leeds Marathon last year, and has helped raise more than £30,000 through her role as Chairman of her workplace’s Charity Committee.

Claire has also held positions on the Oddfellows’ Benevolence Committee and Investigations Committee, making a positive difference to the lives of her fellow members.

“I was completely surprised and I feel really honoured,” Claire said. “It’s a really nice feeling. It’s nice that other people think it’s making a difference and it’s having an impact.”

**The Oddfellows’ CEO, Jane Nelson, said: “Each of the winners are fully deserving of this recognition and I’m very proud of all of them. They typify what it is to be an Oddfellow and the Society and their respective branches are lucky to have them.”**

**Who is your local Branch star? Member nominations are now open for the 2025 awards. To find out more, visit [www.oddfellows.co.uk/makingadifference](http://www.oddfellows.co.uk/makingadifference).**

# Financial worries revealed

**Unity Mutual, the Oddfellows' financial services brand, recently surveyed 2,000 people throughout the UK to uncover what's keeping them up at night when it comes to their finances. Here's what they discovered. Do any of these resonate with you?**

## Cost of living

The worry peaks for those aged 40-49, with 63% feeling the pinch, closely followed by those in their 50s and 60s (both at 62%).

## Emergency planning

35% of those surveyed worry they don't have enough money set aside for emergencies like car repairs or medical treatments. Additionally, 28% fret about potential home repair costs.

## Pension and retirement

Living on a tight pension is a reality for 22% of respondents, and 18% worry they aren't contributing enough to their pension pot. Many in their 60s regret not paying more into their pensions earlier.

## Savings and financial planning

Only 39% of people have money in savings or investments, but this number jumps to 61% for those in their 70s. Yet, just a third have a financial life plan.

## Stress and anxiety

Financial stress affects 58% of respondents. Those in their 60s and 70s are less worried compared to younger age groups, with only 35% and 27% respectively reporting anxiety.

## Financial regrets

Over half (51%) have financial regrets, including not saving enough each month (46%) and spending on pointless things (43%). Interestingly, more than one in 10 (12%) wish they'd married someone with more money.

These findings show that, while financial worries are largely universal, planning and saving can make a significant difference, especially as we age. Whether you're setting up your first financial plan or adjusting your retirement strategy, it's never too late to take control of your financial future.
