Congratulations to one of our Humber Wolds members, on becoming the Lord Mayor of Beverley!

Congratulations to one of our Humber Wolds members, on becoming the Lord Mayor of Beverley!

Councillor Alison Healy, has been elected the 421st Mayor of Beverley for the 2025-2026 Municipal Year.

Alison talks about her role:-

“As a Beverlonian born and bred, this is a huge honour. Being the 421st Mayor of Beverley in an unbroken line dating back to Edward Ellerker, a Tudor, in 1573 is a huge privilege and demonstrates the rich historical heritage of our town. Over the coming year I look forward to meeting lots of community groups, voluntary organisations and local people who do so much for our town. I promise to serve Beverley to the very best of my abilities and thank my fellow councillors for trusting me with this historic civic role.”

A massive well done to Alison on her achievement and as a branch we are very proud to have the Mayor of Beverley as an Oddfellows member of the Humber Wolds District Branch.

Natalie Hook Shines for VE Day

Based in Beverley St Mary's Beverley CLCGB are a busy youth organisation providing activities and services to young people of Beverley. They have their own traditional marching brass band with tuned percussion and a corps of drums.

One of our younger Oddfellows members, Natalie Hook, played solo cornet in Beverley on VE day. A big thank you to Natalie Hook for representing St Mary's Beverley CLCGB at the Beverley

cenotaph for the minutes silence to commemorate VE Day. Well done Humber Wolds District Branch member Natalie!

As new members let us tell you briefly about us

Ted and Jan met on the internet and have been married for 11 years.

“We live in Driffeld as our new together place, Ted lived in York ...nice to visit, terrible to live there.

Jan lived in Hornsea and knew everyone! Our interest is living life and helping out where we can. Our time is spent mainly at both Tophill Low nature reserve and Driffeld Showground.

We are also members of The Geological Society in Hull, which has killed a good walk on the beach.

We have taken part in archeological digs and talks with The ‘Fridaythorpe, Fimber, Wetwang Archaeological Project’.

FFWAP is a community archaeology project, that are gradually surveying ancient remains in the triangle of land made up by the villages in their group title.

At THL we check bird boxes and complete bird and butterfly surveys together. Ted is Mr Fix it for small repairs, Jan is the green fingered one, nurturing plants from seeds to maturity, enhancing the landscape of the Hull and Derwent Valleys. 2000 plants are cultivated regularly!

And now we have found Oddfellows to relax with and have time to talk to interesting folks.

Thank you Val and Neil for making us feel part of you all!”

Scarborough hosts the nation's Oddies

For the 20th time in more than 200 years the Society's Annual Movable Conference (AMC) was held in beautiful Scarborough, hosted by Vale of York Oddfellows.

Members representing their Branches converged on the seaside town from

all corners of the country to assess the previous 12 months and to decide on the direction of the next.

There was change at the top, as South London Oddfellows' John Mann replaced Vale of York Oddfellows' Barbara Needham as Grand Master.

As well as business, attendees enjoyed a range of social activities, including indulging in the delights of an Oddfellows Brass performance, the annual Roy Hamer Memorial Bowls Tournament, and a day trip to Whitby and Scarborough Fair.

Final update from HA Andrews Memorial Fund recipients

Nur Zainal, who's PhD at the University of Southampton has been supported by the HA Andrews Memorial Fund, and Professor of Cancer Biology Tim Fenton (pictured), addressed the Society's annual conference as three years of funding comes to an end.

"My PhD – made possible by the generous support of the Oddfellows – has made some significant contributions to cancer research," said Nur. "My ultimate goal is to find ways to prevent or overcome drug resistance, and my model will let us run

the pre-clinical studies needed to move promising strategies toward the clinic."

Tim added: "Until recently, we did not understand enough about how our immune system recognises and responds to tumours, or about how tumours learn to switch off our immune responses to deploy cancer vaccines effectively. This is changing rapidly, and cancer vaccines hold great promise for kinder, more effective therapy, though significant challenges remain."

Incredible total raised for good causes

Brownsea Oddfellows raised £1,608.50 for the Dorset and Somerset Air Ambulance.

members. We know that money is tight for many people, but they still dig deep and have compassion for those in need.

“It’s what binds us as Oddfellows – caring for people’s welfare and looking out for the needs of others. This humanitarian spirit makes me feel incredibly proud to be part of the Society. Where we can help, we must.”

Giving back to our communities has always mattered to us. Last year, our branches and members donated over £163,000 to good causes.

Jane Nelson, CEO of the Oddfellows, said: “Every year, when we work out the collaborative total, I’m astounded by the generosity of our Branches and their

Welcoming Tees Mutual to the Oddfellows

In February, we announced the completion, by transfer of engagements, of Tees Mutual.

The acquisition was approved and agreed on by Tees Mutual's members and their Board. Both the Oddfellows and Tees Mutual share a similar ethos and complementary values. This is the Society's sixth acquisition since

2007 and follows the last transfer of engagements in 2021.

Jane Nelson, CEO of the Oddfellows, said: “Tees Mutual has been providing life and savings products to the people of Teesside and South Durham for well over a century.

“We are both passionate about mutuality and are pleased to be able to provide Tees Mutual members with a secure future.”

Making a Difference Awards 2025

The Oddfellows is full of remarkable people, none more so than the six winners of this year's Making a Difference Awards. They have been nationally recognised for their selflessness and dedication to making their Branch and wider Society as good as they can be.

For more information about the Awards, including how to nominate someone for 2026, visit www.oddfellows.co.uk/makingadifference.

Jean Logan, Nene and Welland Oddfellows

Enriching Lives Socially

This award celebrates Jean's contributions to the running of the Branch's social events. She's key to coming up with new ideas, organising and hosting events, and making sure everyone has a good time.

"Socialising keeps your brain busy and keeps you active and keeps you younger.

You can sit on the sofa and watch telly all day long but I'm a doer. I'm always up and about."

On winning the award, Jean, from Bourne, Lincolnshire, says she had to read the letter twice, adding: "You've got so many branches all over the country and I end up as the overall winner. It was a nice surprise."

Gordon and Kath Hinett, North Wales and Chester Oddfellows

Achieving Together

The married couple from Conwy, North Wales, have been recognised for their teamwork and commitment to improving the lives of members.

As a Welfare visitor, Gordon regularly assists members however they might need, be that giving lifts to appointments or events, or going to the shops for them. Kath takes the lead on organising social events such as trips to the cinema, the theatre or a day out somewhere.

Kath says they could've been knocked down with a feather when they learnt they'd won. Gordon added: "We don't do it to get rewarded. We do it because we love doing it."

Chris Sargeant, Nene and Welland Oddfellows

Working in the Spirit of Mutuality

Chris, from Pinchbeck in Lincolnshire, has been highlighted for her passion and dedication for her Branch and the Society as a whole.

Having held almost every role possible locally and represented Nene and Welland Oddfellows on regional and national committees, Chris said: "Oddfellows gives to me as much as I give to it. You get to know people. I've friends all over the country through Oddfellowship. I love it, absolutely love it."

She added: "How proud was I that someone had thought I was worthy of this Award?"

Ann Kight, Nottingham Trent Oddfellows

Giving Something Back

Nottingham-based Ann's selfless commitment to raising money for worthy causes, both in connection with her Branch and of her own accord, is why she has been singled out for praise.

"I've been doing it about 10 years, if not more," she said. "I reckon I've raised around £10,000."

"I've always had the motto of, 'if you go through life and behave and you help somebody on your way you've done your job'."

She added: "You do things because you do them, not for awards. To get an award is a bonus."

Barry Bedford, Nene and Welland Oddfellows

Giving a Helping Hand

Barry, from Peterborough, has been recognised for his dedication to looking after his fellow members and being counted on when it matters, or in times of need. He's been known to give members lifts to and from events and the shops, and has assisted in all manner of DIY projects, including clearing driveways, repairing doors, decorating and gardening.

He said: "I am very proud of what they think I've achieved. It's the way I live my life and always have done and if that transforms into helping other people then I'm thankful."

Business Meetings

Every Oddfellows Branch is run independently by a committee of members. Regular meetings are held to discuss matters such as Branch finances, membership and member support. Can you help by volunteering?

We couldn't run all our events without wonderful volunteers. We need help to make sure we can keep our events as fun as they can be for all our members. There's lots of ways you can pitch in to help us, from one-off help to regular support. You can commit an hour a month, or more if you've got the time!

Volunteering could include meeting and greeting newcomers to make sure they feel welcome, or arranging activities, like quizzes or presentations, which we can help you run and promote.

If you can help by volunteering or want to find out more, contact Neil by phone on 01482 859234, or email neil.smith@oddfellows.co.uk
