Paying your membership by Direct Debit

A new Direct Debit payment initiative was launched in January to try to make membership payments easier. So why choose Direct Debit?

- It is easy to set up, it can be done over the phone or online.
- You don't need to worry about renewing each year as the Direct Debit will automatically be taken upon your renewal date.
- You still have complete control because you can cancel whenever you want – you'll be notified of the payment 6-8 weeks in advance to give you plenty of time to make any changes.
- It's paperless and nothing has to go through the post, so no danger of it going astray.
- It is all done on a totally secure system.
- You can choose to make the membership payment over two consecutive months to help you manage your finances.
- Standard membership would be two monthly payment of £12.50 and extra benefits would be two monthly payments of £17.50.
