Message from your Chairperson

Irene has been elected to serve as your Provincial Grand Master (Chairperson) this year. She said, "It is a real honour and that I will do my best to uphold the values Oddfellows stand for".

Irene was born in Cheshire, moved into Staffordshire then Newport, Shropshire at aged 17 where she now lives with her husband John. She joined the Oddfellows in 1994 and is an active member of the Branch. Her husband, children and grandchildren are also Oddfellows.

Irene continued, "As a trained Nursery Nurse I took over Forton Nursery near Newport where I worked for 32 years. Apart from my job I have had various volunteering roles which have included running a Senior Citizens Club, Church PCC member, School Governor, Newport Food Bank and was elected to Newport Town Council, serving for five years. I am a trustee of the Rodham Charity and the Baughey Roddam Housing Association and current Chairman.

During my time on the District Committee of Management I have always worked in the best interests for members of the District. As a committee member I have helped to steer through changes to keep us compliant with amendments passed at conference. Regarding conferences, I have attended and voted at eight and been greatly uplifted at each one. All members are entitled to attend the conference as visitors and I encourage anyone to go who is able to - it's quite an experience".

Irene said, "Eight years ago I had the privilege of serving as your Provincial Grand Master (Chairperson) and enjoyed visiting the Branches and meeting members at some of their events and was made most welcome.

Looking forward to meeting as many of you as I can".

Can you help by volunteering?

We couldn't run all our events without wonderful volunteers. We need help to make sure we can keep our events as fun as they can be for all our members. There's lots of ways you can pitch in to help us, from one-off help to regular support. You can commit an hour a month, or more if you've got the time!

Volunteering could include meeting and greeting newcomers to make sure they feel welcome, or arranging activities, like quizzes or presentations, which we can help you run and promote.

If you can help by volunteering or want to find out more, contact George by phone on 01952 814377 or email george.brotherton@oddfellows.co.uk

Members meet in Llandudno for AMC

The late May Bank Holiday weekend in the beautiful North Wales coastal town of Llandudno was the setting for this year's Annual Movable Conference (AMC).

Hosted by Deeside Oddfellows, members from throughout the UK made the trip to reflect on the previous 12 months and discuss and vote on the course of the next, all presided over by the Grand Master (Chairman), Vale of York Oddfellows' Barbara Needham.

Business conducted, AMC Llandudno

As well as business, attendees enjoyed a range of social activities, with Oddfellows Brass putting on another wonderful performance.

Oddies on the coach to Portmeirion

Members also took part in a ceilidh at the welcome evening, graced the green at the annual Roy Harmer Memorial Bowls Tournament, took a day trip to Portmeirion and got all dressed up for the Farewell Dance.

Who should be our next major Fund recipient?

Our HA Andrews Memorial Fund provides major financial support over a two or three year period to a project or organisation involved in, or conducting, medical research in the UK.

The funding for Southampton University's Centre for Cancer Immunology, which was nominated by a member in Guernsey, is in its final year, so we're now open to suggestions on who to support from 2025.

If you've a suggestion of who we can support next, let us know. Go to www.oddfellows.co.uk/ha-andrews to find out more about the criteria, how to nominate and our deadlines.

Making a Difference Awards 2024

Five members have received national recognition for the brilliant and selfless work they put into making their Branch and the Society as wonderful as they can be.

Terry Rendle, Oswald Branch Enriching Lives Socially

This award celebrates Terry's contributions to the running of Oswald Branch's social events.

He regularly comes up with ideas for events, plans and advertises them, organises and purchases supplies, arranges

catering, sells tickets, physically arranges chairs and tables in the room, taxis people to and from, hosts and clears up after. All this at the age of 84.

"Socialising is so important as you get older," Terry said. "It keeps your brain busy and your body busy which means you might last a bit longer."

He added: "I was flabbergasted. I had to read the letter three times before I realised what I was reading."

Pat and David Lang, Three Counties Branch Achieving Together

The married couple from Didcot, Oxfordshire, joined the Oddfellows over half-

century ago, and in that time have taken on many voluntary roles, including serving as Branch Chairman five times between them.

They are Welfare Visitors, regularly checking in on around 50 fellow members, and are well known for providing food for events and meetings. They are also responsible for an annual Christmas lunch event which, since 2009, has raised over £2,100 for the HA Andrews Memorial Fund.

David said: "It has never been about being rewarded. We love what we do, it's as simple as that.

Pat added: "I'm honoured. We have much to thank the Oddfellows for and have met so many lovely people."

Peter Coe, City of Norwich Branch

Working in the Spirit of Mutuality

As a mutual society, the Oddfellows is run by and for our members and this award seeks to recognise those who have gone the extra mile to assist in the running of their Branch and the Society as a whole.

Peter has gone several extra miles, having held a number of voluntary roles, including Branch and

District Chairman, and is still a member of the social committee to this day, helping to organise many wonderful events.

Peter said: "The Oddfellows is full of very, very friendly people. We all get on. I've made some very good friends here over the years.

"It's my life. It's what I do. The best thing I did was join the Oddfellows."

Claire Needham, Vale of York District Giving Something Back

Lifelong member Claire has been recognised for the work she does to raise money and awareness for worthy causes.

She donated nearly £3,000 for Motor Neurone Disease Association and Martins House Children's Hospice having run the Rob Burrows Leeds Marathon last year, and has helped raise more than £30,000 through her role as Chairman of her workplace's Charity Committee.

Claire has also held positions on the Oddfellows' Benevolence Committee and Investigations Committee, making a positive difference to the lives of her fellow members.

"I was completely surprised and I feel really honoured," Claire said. "It's a really nice feeling. It's nice that other people think it's making a difference and it's having an impact."

The Oddfellows' CEO, Jane Nelson, said: "Each of the winners are fully deserving of this recognition and I'm very proud of all of them. They typify what it is to be an Oddfellow and the Society and their respective branches are lucky to have them."

Who is your local Branch star? Member nominations are now open for the 2025 awards. To find out more, visit www.oddfellows.co.uk/makingadifference.

Financial worries revealed

Unity Mutual, the Oddfellows' financial services brand, recently surveyed 2,000 people throughout the UK to uncover what's keeping them up at night when it comes to their finances. Here's what they discovered. Do any of these resonate with you?

Cost of living

The worry peaks for those aged 40-49, with 63% feeling the pinch, closely followed by those in their 50s and 60s (both at 62%).

Emergency planning

35% of those surveyed worry they don't have enough money set aside for emergencies like car repairs or medical treatments. Additionally, 28% fret about potential home repair costs.

Pension and retirement

Living on a tight pension is a reality for 22% of respondents, and 18% worry they aren't contributing enough to their pension pot. Many in their 60s regret not paying more into their pensions earlier.

Savings and financial planning

Only 39% of people have money in savings or investments, but this number jumps to 61% for those in their 70s. Yet, just a third have a financial life plan.

Stress and anxiety

Financial stress affects 58% of respondents. Those in their 60s and 70s are less worried compared to younger age groups, with only 35% and 27% respectively reporting anxiety.

Financial regrets

Over half (51%) have financial regrets, including not saving enough each month (46%) and spending on pointless things (43%). Interestingly, more than one in 10 (12%) wish they'd married someone with more money.

These findings show that, while financial worries are largely universal, planning and saving can make a significant difference, especially as we age. Whether you're setting up your first financial plan or adjusting your retirement strategy, it's never too late to take control of your financial future.

Go to www.unitymutual.co.uk to find out more.

Oddfellows members have access to a dedicated Citizens Advice Line. Its advisers can help you to find a way forward with any money or debt problems but are unable to give financial advice. Visit www.oddfellows.co.uk/citizens-advice to find out more.
