Bring friendship to your front room

There are many reasons that might prevent you from being able to attend some of our events in person. A clash in the diary might mean something else takes priority, you might not be able to spare the cost this time, or perhaps you just want to stay close to home that day.

We want people to enjoy the benefits of friendship no matter what. That's why branches all over the country host around 50 free online events each month, ranging from talks, arts and crafts and games, to exercise and meditation sessions.

These online events are a great opportunity to catch up with familiar faces and meet new and interesting people from all corners of the country from the comfort of home. You might even discover a new favourite hobby.

What's coming up online

We have lots of national online events that all our members can enjoy, the events below are just a flavour.

Tuesday 21 January, 7pm - Eating Healthy on a Budget

Join us on Zoom, Meeting ID: 831 3197 2367. Passcode: 068189.

Friday 7 February, 2pm - The North Shields Fishermen's Heritage Project or Never Retire

Join us on Zoom, Meeting ID: 910 7968 6020. Passcode: 1810.

Anyone is able to attend an Oddfellows online event, no matter where they live so spread the word.

All our online events are hosted on Zoom. If you haven't tried Zoom video-conferencing before and would like help on how to use it, let us know. You can come to me, or email the Events team on events@oddfellows.co.uk, with any questions and we'll help you get logged on and ready to join in.

A brilliant Baltic experience

In late June, 17 Oddfellows from across the country met in Dover to board Fred. Olsen's Borealis and set sail to discover the delights of the Baltics.

Lots to see and do

During their 14 nights, the Oddies crew, made up of members from Ipswich, Norwich, Leeds, Worcester, Derby and Tunbridge Wells, visited seven different ports throughout the region, stopping off in Germany, Poland, Sweden, Estonia and Finland.

There was plenty on offer, with organised excursions and chances to explore independently at each stop-off.

On board there were interesting talks, crafts sessions and plenty of opportunities to simply find a quiet corner with a book.

Warnemünde, Germany

Ipswich Oddfellows member and host for the fortnight, Wendy Atkins, said:

"We experienced mostly fair weather but more importantly calm seas.

"In each of the ports we observed maritime traditions, stories of war-torn devastation, magnificent architecture and saw evidence of Russian aggression."

On-board Oddfellowship

Wendy added: "Our group sat together for dinner where we were able to share the experiences of the day and to learn more about Oddfellowship. New friendships were made!

"The Oddfellows party had two organised get-togethers – a welcome hot chocolate and coffee meeting as we sailed and a drinks party when members were able to get to know one another.

"In the evenings there was varied entertainment in the main theatre but also music in the bars to suit all tastes. Of course, there was plenty to eat and drink too!"

Our biggest celebration of friendship yet!

The Oddfellows' CEO, Jane Nelson, has expressed her thanks to everyone involved in making 2024's Friendship Month a huge success:

"Once again I am so proud of each and every person at our brilliant Branches for all the efforts they have put into making this year's Friendship Month so wonderful.

"It's hard to believe that this is the 15th time we've claimed September as our month-long celebration of all the benefits

of friendship, but it's safe to say it's been our biggest yet, with over 300 taster events throughout the country – that's a huge amount of work!

"Coffee mornings, walks, talks, music events, meals, games, quizzes, day trips – whatever it might be, you've pulled out all the stops to let the nation know that we're here and ready to offer support, fun and friendship to all."

Our survey said...

Earlier this year, we asked a random sample of members about their experience of being an Oddfellow. Thank you to the near 1,500 who took the time to respond to our survey. We really value your thoughts and opinions as they help us to ensure we can continue to improve on what we do.

In terms of overall membership satisfaction, with 10 being 'completely satisfied' and one 'not at all satisfied', the average member gave a score of 8.6, which is wonderful to know. This score is better than the average of other organisations that carry out a similar survey, and is something the Society is very proud of.

Using the same scale, members indicated they were most satisfied with the friendliness and supportiveness of their Branch (8.9), the way their Branch communicates with them (8.9), and that their membership represents value for money (9). Perhaps unsurprisingly, those who indicated they were most satisfied with the friendliness and supportiveness of their Branch, and the face-to-face events on offer, were the most likely to recommend the Oddfellows to someone else.

People also told us why they joined, revealing that the most popular reasons were because friends or family suggested it (55.1%), to attend social events (45.1%) and to make friends (43.6%).

Our monthly meetings are always friendly. We always enjoy some sort of activity and have an uplifting afternoon.

Would be quite nice to be reminded of exactly what benefits are now given/provided. I've been a member for so many years that I have lost track.

I love all the events. My life would be empty and lonely without Oddfellows.

We were also pleased to receive feedback on how we can improve. One thing a number of members suggested we could change is their ability to claim for payment plans against their Dental and Optical Care Benefit. We're pleased to say that this is now possible.

It was also suggested that awareness of support, offers and benefits is quite low, with some members not understanding what they are entitled to.

To learn more about your membership entitlements, go to www.oddfellows.co.uk/benefits. Terms and conditions apply.
