## The Oddfellows' Annual Movable Conference (AMC)

Members were delighted to finally get together at the first face-to-face AMC in three years in May this year. The three-day annual conference returned to Scarborough and kicked off with an 80s disco, a stunning firework display and a fantastically well-received concert from Oddfellows Brass.

*Grand Master David Ogden (right) with the Mayor of Scarborough*

*A spectacular opening night firework display*

At the conference, the Making a Difference Awards winners from 2020 to 2022 were presented with their trophies by Past Grand Master David Randall.

This year, the AMC saw the installation of three new Member Non-Executive Directors: Debbie Jex from Reading Branch, Karen Rose from Tunbridge Wells Branch and Alex Walker from North Gloucestershire Branch.

Thanks go to all who attended, debated and voted on the different clauses and to those working behind the scenes who made the conference such a success.

# Congratulations to our Making a Difference Award winners 2022

The Oddfellows is known for the kindness and generosity of its members and we take the opportunity every year to celebrate the efforts of members who've been nominated for going the extra mile in our Making a Difference Awards.

**“Any member can nominate another member for national recognition”**

This year, we introduced a new category, the 'Achieving Together' award. It was created to celebrate two people who have worked together to achieve more than they could alone, and whose partnership has significantly improved the lives of members, their Branch or the Society.

Our congratulations go to this year's Making a Difference Award winners...

*Julie Webster,  
St Helens & Warrington Branch*

## Julie Webster, from St Helens and Warrington Oddfellows, for Enriching Lives Socially

Julie said: “Being a Social Organiser is really hard work sometimes, but it's very rewarding. Seeing people, especially people on their own, some of whom don't have family or friends close by, really enjoying themselves and laughing so much they have tears rolling down their faces, makes it all worthwhile. We're there for each other, one big family. I think the pandemic highlighted this more than anything.”

*Shirley Walton,  
South East Lancashire Branch*

## Shirley Walton, from South East Lancashire Oddfellows, for Giving Something Back

Shirley said: “We can all give something back, even if it's just a kind word or a smile. In the Oddfellows, we all give back, through care and welfare, running events and making sure people get together. But we receive so much just by being a member. We are what we say, a friendly society run by members for members.”

*Sylvia Alcorn,  
Pride of Woolwich Branch*

### Sylvia Alcorn, from Pride of Woolwich Oddfellows, for Giving a Helping Hand

Sylvia said: "It's just nice to be a friend to someone. Even if they have family, they can have a completely different conversation with me and I just love it. They're so pleased to see you when you come through the door."

*Pat Perkins and  
husband, Noel*

### Doug and Phyllis Austin, from Leeds Oddfellows, for Achieving Together

Husband and wife, Doug and Phyllis Austin, were awarded the Society's inaugural Making a Difference Award for 'Achieving Together'

in recognition of the kindness they have shown to fellow Leeds members over more than 30 years.

We are saddened to share that Doug died in March this year aged 93. Phyllis was also unable to attend the ceremony in Scarborough due to ill health. Their daughter, Pat Perkins, and her husband Noel, attended the awards ceremony at the Oddfellows' annual conference to accept her parents' awards on their behalf.

Jane Nelson, CEO of the Oddfellows, says: "Our Society is full of members like this who have a natural drive to do good and the Oddfellows simply wouldn't be the same without them. Our winners fully deserve this recognition."

Know a member who goes above and beyond at your local Branch? Nominate now for the 2023 awards.

# New recipient of HA Andrews Memorial Fund

The new recipient of our UK medical research fund, the HA Andrews Memorial Fund, was agreed at this year's annual conference.

From 2022 to 2024, we're supporting the Centre for Cancer Immunology based at the University of Southampton. £100,000 in funding has been granted to enable the Centre's study of a specific gene which it is believed can be manipulated to target cancer cells in a new vaccine.

The ultimate goal is to create a vaccine that could fundamentally change outcomes for patients with cancer, particularly lung, breast, head, neck oesophageal and bladder cancers. The research is led by Dr Tim Fenton and Professor Edd James who will also be supervising a full-time PHD student funded by the Oddfellows.

We look forward to hearing how the Centre's research is progressing and sharing some insights with you when the Board makes its first visit later in the year.
