## Scarborough hosts the nation's Oddies

**For the 20th time in more than 200 years the Society's Annual Movable Conference (AMC) was held in beautiful Scarborough, hosted by Vale of York Oddfellows.**

Members representing their Branches converged on the seaside town from

all corners of the country to assess the previous 12 months and to decide on the direction of the next.

There was change at the top, as South London Oddfellows' John Mann replaced Vale of York Oddfellows' Barbara Needham as Grand Master.

As well as business, attendees enjoyed a range of social activities, including indulging in the delights of an Oddfellows Brass performance, the annual Roy Harmer Memorial Bowls Tournament, and a day trip to Whitby and Scarborough Fair.

## Final update from HA Andrews Memorial Fund recipients

**Nur Zainal, whose PhD at the University of Southampton has been supported by the HA Andrews Memorial Fund, and Professor of Cancer Biology Tim Fenton (pictured), addressed the Society's annual conference as three years of funding comes to an end.**

"My PhD – made possible by the generous support of the Oddfellows – has made some significant contributions to cancer research," said Nur. "My ultimate goal is to find ways to prevent or overcome drug resistance, and my model will let us run

the pre-clinical studies needed to move promising strategies toward the clinic."

Tim added: "Until recently, we did not understand enough about how our immune system recognises and responds to tumours, or about how tumours learn to switch off our immune responses to deploy cancer vaccines effectively. This is changing rapidly, and cancer vaccines hold great promise for kinder, more effective therapy, though significant challenges remain."

# Making a Difference Awards 2025

The Oddfellows is full of remarkable people, none more so than the six winners of this year's Making a Difference Awards. They have been nationally recognised for their selflessness and dedication to making their Branch and wider Society as good as they can be.

For more information about the Awards, including how to nominate someone for 2026, visit [www.oddfellows.co.uk/makingadifference](http://www.oddfellows.co.uk/makingadifference).

## Jean Logan, Nene and Welland Oddfellows

Enriching Lives Socially

This award celebrates Jean's contributions to the running of the Branch's social events. She's key to coming up with new ideas, organising and hosting events, and making sure everyone has a good time.

"Socialising keeps your brain busy and keeps you active and keeps you younger.

You can sit on the sofa and watch telly all day long but I'm a doer. I'm always up and about."

On winning the award, Jean, from Bourne, Lincolnshire, says she had to read the letter twice, adding: "You've got so many branches all over the country and I end up as the overall winner. It was a nice surprise."

## Gordon and Kath Hinett, North Wales and Chester Oddfellows

Achieving Together

The married couple from Conwy, North Wales, have been recognised for their teamwork and commitment to improving the lives of members.

As a Welfare visitor, Gordon regularly assists members however they might need, be that giving lifts to appointments or events, or going to the shops for them. Kath takes the lead on organising social events such as trips to the cinema, the theatre or a day out somewhere.

Kath says they could've been knocked down with a feather when they learnt they'd won. Gordon added: "We don't do it to get rewarded. We do it because we love doing it."

## Chris Sargeant, Nene and Welland Oddfellows

*Working in the Spirit of Mutuality*

Chris, from Pinchbeck in Lincolnshire, has been highlighted for her passion and dedication for her Branch and the Society as a whole.

Having held almost every role possible locally and represented Nene and Welland Oddfellows on regional and national committees, Chris said: "Oddfellows gives to me as much as I give to it. You get to know people. I've friends all over the country through Oddfellowship. I love it, absolutely love it."

She added: "How proud was I that someone had thought I was worthy of this Award?"

## Ann Kight, Nottingham Trent Oddfellows

*Giving Something Back*

Nottingham-based Ann's selfless commitment to raising money for worthy causes, both in connection with her Branch and of her own accord, is why she has been singled out for praise.

"I've been doing it about 10 years, if not more," she said. "I reckon I've raised around £10,000."

"I've always had the motto of, 'if you go through life and behave and you help somebody on your way you've done your job'."

She added: "You do things because you do them, not for awards. To get an award is a bonus."

## Barry Bedford, Nene and Welland Oddfellows

*Giving a Helping Hand*

Barry, from Peterborough, has been recognised for his dedication to looking after his fellow members and being counted on when it matters, or in times of need. He's been known to give members lifts to and from events and the shops, and has assisted in all manner of DIY projects, including clearing driveways, repairing doors, decorating and gardening.

He said: "I am very proud of what they think I've achieved. It's the way I live my life and always have done and if that transforms into helping other people then I'm thankful."

# Incredible total raised for good causes

*Brownsea Oddfellows raised £1,608.50 for the Dorset and Somerset Air Ambulance.*

members. We know that money is tight for many people, but they still dig deep and have compassion for those in need.

“It’s what binds us as Oddfellows – caring for people’s welfare and looking out for the needs of others. This humanitarian spirit makes me feel incredibly proud to be part of the Society. Where we can help, we must.”

**Giving back to our communities has always mattered to us. Last year, our branches and members donated over £163,000 to good causes.**

Jane Nelson, CEO of the Oddfellows, said: “Every year, when we work out the collaborative total, I’m astounded by the generosity of our Branches and their

## Welcoming Tees Mutual to the Oddfellows

**In February, we announced the completion, by transfer of engagements, of Tees Mutual.**

The acquisition was approved and agreed on by Tees Mutual's members and their Board. Both the Oddfellows and Tees Mutual share a similar ethos and complementary values. This is the Society's sixth acquisition since

2007 and follows the last transfer of engagements in 2021.

Jane Nelson, CEO of the Oddfellows, said: “Tees Mutual has been providing life and savings products to the people of Teesside and South Durham for well over a century.

“We are both passionate about mutuality and are pleased to be able to provide Tees Mutual members with a secure future.”
