Farewell To Jarratt!

After 150 years we are saying farewell to our spiritual home in the centre of Hull, our office and meeting rooms at 7 Jarratt Street. It is a Georgian dwelling house built around 1803 and home to the Hull District of the Oddfellows since 1875.

Unfortunately, rising costs has meant it has become quite expensive to run and maintain. In bygone times it has been home to meetings and social events but as time has passed the building is being used less and less.

For those who have used it in the past, they are well aware of the chaotic car parking situation, especially when the nearby Hull New Theatre is holding an event.

Also, with access via the, what now seem to be, increasingly steep steps, it is making it extremely difficult for some members to enter the building. Two business tenants that used the property have also now left. So, after numerous discussions, the Management Committee

made the difficult decision to dispose of the building.

Consequently, we have secured new office premises at 40 Dunswell Lane, Dunswell, Hull HU6 0AG which will suit our office needs. We will let you know when we are officially in situ.

As you can imagine, after having a property for just over 150 years, there is lots of historical paperwork, some meeting minutes dating back to 1847 as an example, plus artefacts, all of which need sorting to decide what needs to go to our new premises.

It will be a sad day when we finally leave but know we are leaving it in the capable hands of the new prospective owners who are returning it to its original use, that of a family home.

They have also said they would like to keep its character and to acknowledge its Oddfellows heritage.

National Garden Scheme

Visitors are allowed unique access to over 3,300 beautiful gardens in Great Britain and the Channel Islands. The NGS raises money for nursing and health charities through donations. The gardens are opened for general viewing which, in turn, benefits charities such as Macmillan Cancer, Marie Curie and Parkinson's UK whilst improving mental well-being to its visitors.

Oddfellows member Kaye Fraser from the Humber Wolds District Branch is kindly opening her garden to its members in July (see page 3 for further details). Kaye comments, "Gardening has always been an interest of mine, but became a real passion

when I retired two years ago (my daughter says it's an obsession!). I've enjoyed creating my

garden in Beverley since I moved here four years ago. There was nothing in the garden except an old pear tree, grass and a few very scrappy roses. I opened the garden for Dove House Hospice last year, but for gardeners the NGS is the crème de la crème and is not easy to get into. If your garden is accepted for NGS opening, it's a proper accolade!"

Rowing Beyond Limits: Miriam Payne's Extraordinary Ocean Journey

British solo ocean rower Miriam Payne has taken on one of the world's toughest endurance challenges, rowing thousands of miles alone

across open water. Her inspiring story reflects courage, resilience and determination — qualities that strongly echo the Oddfellows spirit.

Miriam speaking about why she decided to become a solo ocean rower:

"Back in 2019, after a freezing rowing session on the Clyde in Glasgow, I jokingly said, 'Anyone want to row an ocean with me?' Little did I know that this offhand remark would spark my interest in ocean rowing. It was more of a half-baked idea, and no one, including myself, thought much of it initially. But when I got home that evening, the thought stuck around, and I found myself digging into all things ocean rowing just to see what the fuss was about. Turns out, it's a wild world out there."

(See page 4 for date details of her talk on Monday 27 July).

Oddies autumn getaway to Llandudno

Join us as we take a trip to Llandudno, North Wales, on an Oddfellows-hosted group holiday with Alfa Travel.

Oddfellows members and guests will take in some breathtaking scenery during a four-night stay at the Hydro Hotel from Saturday 26 September to Wednesday 30 September 2026.

From £369 per person, half board, the price includes coach pick up and drop off from locations across the South East via Reading, or a self-arrival option.

Outstanding natural beauty

Two optional day trips are included in the price of the holiday.

On day two, you'll head by coach to the Isle of Anglesey, where the entire coastline has been designated an Area of Outstanding Natural Beauty. You'll call at the seaside town of Beaumaris with its mix of Georgian, Victorian and Edwardian buildings.

On day four, the second day trip will head to Caernarfon, home to Wales' most famous castle and a UNESCO World

Heritage Site. Afterwards, you'll venture into the Snowdonia National Park, calling at Llanberis, situated at the foot of Mount Snowdon, and Porthmadog.

Relax in great company

We'll be organising some group drinks and times to dine together during the stay, and enjoying the hotel's evening entertainment, but your days will be largely free to plan as you please.

The hotel has a large entertainment suite with a dance floor and entertainment most evenings, and there are sun lounges and a games room with a snooker table.

You'll also find spectacular views over the bay or over the town to the Snowdonia mountain range from many of the hotel's bedrooms and from its Looking Glass Bar.

Spring clean your finances for the new tax year

The start of the new tax year on Monday 6 April might sound like an event reserved for accountants, but at Unity Mutual, the Oddfellows' financial services brand, we believe it's a time everyone can make the most of.

Here are some simple ways to spring clean your finances and get on top of your money for the tax year ahead.

Make the most of your ISA

Every adult receives a fresh £20,000 ISA allowance at the beginning of each tax year, so if your savings are lying dormant, why not move them somewhere your interest is protected from tax?

For those comfortable with investment risk, the Unity Mutual Stocks and Shares Flexible ISA* offers potentially higher growth than traditional Cash ISAs (capital is at risk).

Guaranteed returns, less hassle

If you have a lump sum sitting idle or an investment coming to maturity, a Unity

Mutual Fixed Rate Bond* provides a predictable, low-effort option. Simply deposit your money for a set term to secure a guaranteed return.

Even better, Oddfellows members benefit from preferential rates on our 2, 3, and 5-year Bonds.

Make savings work harder

With many banks still offering low rates, a quick comparison is essential to ensure your money is working for you. Even moving savings to a higher-interest account with your current provider can significantly boost your balance over the year.

Find out more

Unity Mutual has over 200 years of experience managing Oddfellows members' funds, and our friendly team is on hand to help you navigate the year ahead. Visit www.unitymutual.co.uk to find out more.

**Terms and conditions apply to all products. With stocks and shares, your investment can go down as well as up meaning your capital is at risk.*

New tax year, new scams

Stay vigilant against common scams such as fake HMRC tax rebates or urgent payment requests for 'unpaid tax'. While these communications can look genuine, always verify them by going directly to the official government website.

Support with fundraising and donations

Donating to good causes is a cornerstone of Oddfellowship, and symbolises what it is all about – helping to improve lives through friendship and support.

It's a thread that runs right through every Branch of the Society. Whether it's members dropping some spare change into a collection at a coffee morning, or the HA Andrews Memorial Fund supporting cutting-edge medical research projects, it all adds up and contributes to that ethos.

Branch donations add up to huge 2025 total

Reading Oddfellows donated £4,300 to Camp Mohawk

Oddfellows branches and members are avid fundraisers. In 2025, more than £148,000 was handed over to a huge range of wonderful causes throughout the country.

Beneficiaries included schools, charities for people with special needs, animal sanctuaries, causes to improve health conditions, lifeboat and air ambulance

charities, and one branch provided the funds required to buy state-of-the-art medical equipment.

As well as handing over funds, many members bought and collected for foodbanks, including tinned goods and other long-life foods, toiletries and further everyday items.

To find out how you can get involved with Branch fundraising initiatives, speak to your Branch Secretary.

£10,000 raised for Hurricane Melissa relief efforts

The Oddfellows recently donated £10,000 to support the Jamaica Red Cross' Hurricane Melissa Emergency Appeal.

Thanks to the generosity of Oddfellows branches across the UK, and with additional support from central funds, the donation will help communities affected by the devastating storm rebuild their lives.

Hurricane Melissa, a Category 5 hurricane, made landfall in Jamaica on 28 October 2025. The strongest hurricane ever to strike the island, it caused catastrophic damage and impacted nearly 1.9 million people.

The funds have been sent to the Jamaica Red Cross, via the International Federation of Red Cross and Red Crescent Societies (IFRC), to support ongoing emergency relief and recovery efforts. This includes providing essential supplies, shelter, and longer-term assistance to those whose homes and livelihoods were affected.

Further information about the Jamaica Red Cross' Hurricane Melissa Emergency Appeal can be found at www.ifrc.org/emergency/jamaica-hurricane-melissa.

HA Andrews Memorial Fund recipient announced

In October 2025, representatives of the Oddfellows visited the impressive facilities at the Manchester Cancer Research Centre (MCRC) to present a cheque for £67,068 to Prevent Breast Cancer, courtesy of our HA Andrews Memorial Fund.

The money will fund an innovative breast cancer prevention research project for two years.

Carried out by University of Manchester PhD student Anthony Wilby and Dr Hannah Harrison, the project is aiming to discover alternative preventative breast cancer therapies for pre-menopausal women.

The HA Andrews Memorial Fund, which was set up in 1971 to back UK-based medical research projects and organisations, has donated over £1.1m

since its launch. Head to www.oddfellows.co.uk/ha-andrews to find out more about the Fund, including previous recipients.

The very best of Oddfellowship

Spokesperson for the Oddfellows, Pam Casey (pictured below at MCRC), said: "The work the Oddfellows does for charities and good causes always astounds me. It reflects the very best of Oddfellowship and it makes me incredibly proud.

"Donating to good causes, no matter how big or small, or how much we can contribute, can make a huge difference. Our efforts might well have saved a life, put some food on a young family's table, or simply have made someone's day a little brighter.

"Thank you to everyone who has helped in any way. You're all a huge credit to yourselves and the Society."
